The following resolution was introduced by Councilman Kelley and seconded by Councilman Markins.

**WHEREAS**, the Parish of Iberville, State of Louisiana (the "*Parish*") is a political subdivision of the State of Louisiana (the "*State*") created and existing pursuant to Louisiana Constitution of 1974, as amended, and the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:1236 *et seq.*), and other relevant constitutional and statutory authority (collectively, the "*Parish Statutes*");

**WHEREAS**, from time to time various companies will desire to acquire, construct, improve, equip, and operate one or more industrial and manufacturing facilities (a "*Project*") to be located within the Parish or another parish in the State;

**WHEREAS**, it is in the best interest of the Parish to encourage the location of a Project within the Parish due to the positive economic development benefits to the Parish, including increased employment as a result of the creation of construction and permanent jobs, increased payroll, tax base increases, and other benefits that are a driving force behind economic development and a direct benefit to residents of the Parish;

**WHEREAS**, to induce the location of a Project in the Parish, the Parish wishes to negotiate with any company agreeing to invest in the Parish and meet substantial payroll and employment levels ( a "*Qualified Company*") in order to increase the economic feasibility of a Project by providing relief from the full amount of *ad valorem* taxes over more than the first ten years the Qualified Company would be entitled to under the State's Industrial Tax Exemption Program pursuant to a Cooperative Endeavor and Payment in Lieu of Taxes Agreement (the "*Agreement*");

**WHEREAS**, La. Const. art. VII, § 14(C) provides that for a public purpose, political subdivisions of the state may engage in cooperative endeavors with any public or private association or company;

**WHEREAS**, economic development has been declared to be a valid public purpose and the economic benefits to the Parish resulting from a Project, namely increased employment, sales tax and inventory tax revenues, and payroll in the Parish, are projected to exceed the value of the obligations of and incentives undertaken by the Parish pursuant to an Agreement to be negotiated;

**WHEREAS**, the Parish and its officers and council have determined that the presence and operation of a Project within the jurisdiction of the Parish, as well as the jobs and commerce capable of being created and sustained thereby, are expected to enhance and maintain the economic well-being of the Parish such that the obligations of and incentives by the Parish undertaken and given in an Agreement will be justified and necessary to attract a Project to the Parish;

**WHEREAS**, the Parish is offering to negotiate obligations and incentives under an Agreement in order to induce a Qualified Company to locate the Project in the Parish, it being understood that the location of the Project is a highly competitive site selection situation and the obligations and incentives herein provided are needed to encourage a Qualified Company to locate within the Parish; and

**WHEREAS**, the Parish has determined that negotiation of an Agreement serves a public purpose and desires to authorize the negotiation of such Agreement.

**NOW THEREFORE, BE IT RESOLVED** by the Iberville Parish Council, acting as governing authority of the Parish (the "*Council*"), that:

SECTION 1. Whereas Clauses Adopted. The foregoing whereas clauses are hereby adopted as set forth in the preamble to this Resolution.
