PRESENTATIONS AND APPEARANCES

A) Plaque Presentation for Mrs. Joanne Adams in honor of her retirement from the Iberville Parish Coroner's Office – Dr. James Grace

- Dr. James Grace read aloud a plaque that was presented to Mrs. Joanne Adams recognizing her for her outstanding service throughout her 18 years of employment with the Iberville Parish Coroner's Office.
- Dr. Grace discussed the difficulties of the job and how well Mrs. Adams handled them. He thanked her for her hard work, dedication, dignity, and grace.

B) Announcing candidacy for Iberville Parish Assessor- Ms. Demi Vorise

- Ms. Demi Vorise came before the Council to announce her candidacy for Iberville Parish Assessor. Ms. Vorise invited the Council to her campaign kickoff on Thursday, July 11, 2019 in St. Gabriel. She humbly asked the Council for their support.

C) Tri-City Charm School and Pageant- Ms. Tameka Smith Quiante

- Ms. Tameka Quiante came before the Council to introduce the Tri-City Charm School and Pageant, which is a faith based etiquette and social training program for local girls between the ages of 9 to 18. It is a four week program of mentoring through proper social conditioning to help guide young girls through their transitioning ages. The Tri City Charm School was created to encourage a positive movement for girls in our community. In order to raise money to fund the program, they sell candles, t shirts, bath oils, and they also perform plays throughout the community. Ms. Quiante thanked the Council for allowing her to speak and introduce the program.
- Councilman Dominique asked where the program was located, and Ms. Quiante stated the classes are held at the St. John Baptist Church in Dorseyville.

PRESIDENT'S REPORT

President Ourso reported on the following:

- President Ourso thanked Mrs. Joanne Adams for the wonderful job she has done for the Parish and the community.
- President Ourso updated the Council on the Hwy 3066 Road Transfer Program that began under former Governor Jindal's administration. The design of the road from Indian Village Bridge to Hwy 1-90 is 90% complete. The Department of Transportation and Development (DOTD) is currently designing the road, and President Ourso said it is a poor design which would require removing and relocating utilities, as well as acquisition of residents' land along the road. The consulting engineers that are representing the Parish recently met with President Ourso to discuss the road design. There will be a meeting in the Council Chamber Room next Wednesday, June 26, 2019 at 9:00 a.m. to discuss the design with thirteen DOTD representatives. Residents who live along the road are encouraged to attend.
- The environmental impact study for the proposed new bridge will be performed by DOTD. The proposed bridge site has been narrowed down to three potential sites. The study's process is a minimum of 6 months and could possibly go on for 2 years before it's complete. President Ourso stated there will need to be a state wide gas tax to be able to fund this bridge.
- Each municipality in the Parish is responsible for its own flood plain management. The Parish is responsible for the flood plain management of the unincorporated areas. President Ourso stated whether a resident is in a flood zone or not, they should invest in building their home above the crown of the road. He wants to bring in a flood plain manager to advise the Council.
- A packet of pictures were presented to the Council. A preview of the Imagine Iberville magazine was shown, and also a picture of the test run of the giant American flag in front of the Ochsner Medical Facility. The flag raising ceremony will be on Saturday, July 13, 2019 at 10:00 a.m.
- Municipalities pay contracts to have the grass cut along State highways. There is a 48 inch culvert near Blanchard's Building Materials with dirt filling the entire culvert. The State will only issue a Purchase Order for \$4,999.99 which will only cover half of the cost to clean out the culvert. President Ourso also found sink holes in the highway that also need to be addressed by the State.
- Chairman Jewell stated the grass along the State highways between Maringouin and Plaquemine is completely overgrown to at least 2 feet tall in some areas and is becoming a danger to the motoring public.
- The rifle range is getting closer to completion. The Parish Administration put together rules and regulations for the rifle range and presented them to the Council. He asked the Council to review them and discuss any concerns or changes during the public hearing next month. President Ourso said all Parish residents will shoot at the range for free. All military, active or retired, no matter where they reside will get in for free as well. The range will be closed for maintenance on Mondays and Tuesdays. He wants to have a soft opening sometime in July. Shintech will cut the ribbon and take the first shots because without them the range would not be possible.
- The next set of pictures were of the North Iberville Council on Aging Facility. The contract requires them to furnish the building prior to substantial completion.
- Pictures were presented of the Bayou Sorrel / Bayou Pigeon Fire Station's progress. The Parish hasn't accepted substantial completion yet.

- The two new splash pads will not be open until the concrete cures before it can be painted and fencing needs to be installed.
- The Council on Aging Facility in White Castle has a new roof, new septic tank, new ac unit, and is expected to be open in October.
- A picture of the construction of the drill boar for the mount for the Huey Helicopter was presented. The helicopter will be pedestal mounted and officially dedicated during the Veterans Ceremony in November.
- President Ourso stated the 750,000 gallon water tank was yellow because that was the color of the primer, and the tank has since been painted white with the Parish logo in red, white, and blue.
- The University Club in Baton Rouge has opened up a channel along Bayou Manchac. President Ourso protested this and he believes they are in violation of the wetlands. He will keep the Council updated on this situation with East Baton Rouge Parish.

FINANCIAL REPORT

Finance Director, Randall Dunn stated the Finance Department is currently working on the annual audit. He thanked Mrs. Joanne Adams for her 18 years of employment and commended her on how well she did her job. He stated she handled all of the finances for the Coroner's Office. He asked if there were any questions, and there were none. Chairman Jewell commended Mr. Dunn for doing a great job on the annual audit.

President Ourso came back before the Council to inform them that Governor John Bel Edwards did sign the bill in reference to the Iberville Parish Council taking over the Iberville Parish Parks & Recreation (IPRD). The staff will need to be indoctrinated as Iberville Parish Council employees.
