- President Ourso wrote a letter of objection to the Corps of Engineers regarding East Baton Rouge’s water discharging into Bayou Manchac.
- There is orange fencing around the front of the courthouse due to the pavers buckling and becoming a liability. The Parish is looking into bomanite as a solution to this problem.
- The Parish made a donation to Baton Rouge Food Bank of \$25,000 last year and also this year. This year the food bank will be traveling to the areas once a month instead of once a quarter with 100 boxes. Flyers of distribution were handed out for the January distribution. He will give the Council a final schedule of the areas they will be distributing the food boxes for 2021.
- The sales taxes in 2019 pre-Covid was \$75 million parish wide, then 2020 hit with the Covid pandemic at \$71 million parish wide. The Parish was around \$4 million short for 2020. President Ourso will re-evaluate projects for 2021.

- Chairman Jewell asked about Maringouin's pharmacy Arbor. He asked when will the Parish get that allotment of vaccines, and can we send some of those vaccines to Maringouin and St. Gabriel to host those administrating the shots. The Parish asked LDH for 5,000 vaccines due to the 70 and over population in the parish. The Parish has not received those requested vaccines.
- Councilman Dominique asked if the Parish employees are going to be required to take the vaccine, and President Ourso stated he can not mandate employees to take the shot, and that's their constitutional right.
