PRESIDENT'S REPORT

CAO, Edward Songy, Jr. reported on the following in the absence of President Ourso:

- Mr. Songy stated the Wreaths across America educational mobile exhibit will be at the Parish's Veterans Memorial site on April 3, 2022 from 10 a.m. to 2 p.m.
- The Parish wide litter pickup will be on Saturday, April 23, 2022 from 8 a.m. to 1 p.m.
- Tullier Services will install three culvert pipes by the Bayou Manchac floodgates in District 13.
- The Seymourville Park improvements are ongoing in District 6.
- Mr. Tom David, representing Pan American Engineers spoke before the Council about the GOSEP and FEMA funds. Due to the storm events that impacted the Parish, the Parish will receive the first allocation of \$1,891,639. There will be a second allocation later on. EOP Director, Clint Moore is routinely called by the public seeking help with a buy out or an elevate. The Parish does not have a program. The Parish would like to have help with severe repetitive loss homes that need elevations. It is estimated at \$200,000 per house to buy them out or elevate the home. If it costs more then what is allotted then the home owner must come up with the difference. There will be an outreach program through FEMA and there is a list of those with repetitive losses (estimating 8 homes).

FINANCIAL REPORT

Finance Director, Randall Dunn stated the bank has agreed to 2.45% on the refinance for the introduced bond ordinance tonight. He stated the Courthouse security equipment was delivered but they are still waiting on the metal to frame the door front. The project is about 75% complete. The Parish is waiting on a punch list for the IPRD maintenance facility. They are installing an 8 ft box culvert, and then remove the pipe under the field currently. If any of the Council members want to go out and look at the site he will take them out there. Also, financial statements were presented tonight.

Councilman Vallet asked about the Elks Club, and Mr. Dunn stated that building is gone now.
