## FINANCIAL REPORT

Finance Director, Randall Dunn stated there are two ordinances being introduced tonight for a public hearing. The first ordinance is to adopt the millage rates for 2022 and the second ordinance is to roll forward the millages not to exceed the maximum authorized. He stated if you do not roll forward before the next reassessment what the assessor rolled back to will become your new maximum authorized rate. The parish has two taxes that are perpetual. We are rolling forward this year because next year would be the deadline and he doesn't want to have any mistakes that could cost the parish from being able to roll forward. The total amount is \$31,000. It requires a 2/3 vote to roll forward. We have to move the Council meeting date to May 24, 2022 to accommodate the 30-day publication requirements per state law.

This rule of law is described in its entirety within the Louisiana Administrative Code, Title 51: XII (Water Supplies).

WHEREAS, consistent with these State laws, the Iberville Parish Utility Department requires each new commercial service and certain residential sites have an approved “backflow prevention assembly” installed immediately downstream of the water meter, which is on the customer’s side of the water meter for each service connection. The type of backflow assembly is commensurate to the degree of hazard.

WHEREAS, in addition, the Louisiana Department of Health and Louisiana Plumbing Code requires customers test their backflow preventer assemblies annually by a State licensed plumber with a “Water Supply Protection Specialist Endorsement”, and the test results in the form of a certificate shall be submitted to the Iberville Parish Utility Department. The Louisiana Department of Health holds the water supplier (Iberville Parish Utilities Department) accountable for the customer’s annual test certifications These State laws are listed in LAC 51: XII.344 & 346.

2. If no test results are received by November 31<sup>st</sup> of each reporting year, the following will take place:

- a. The Parish Utility Department shall have the right to terminate the water service to the customer; or
- b. The Parish Utility Department shall have the right to have a certified backflow preventer tester conduct a test on the backflow preventer and invoice the customer for the costs associated with the testing. All testing costs incurred by the Parish Utility Department shall be included on the next monthly water statement and if not paid when due, the water service shall be terminated
- c. The Parish Utilities Department reserves the right to make all decisions concerning penalties and enforcement for non-compliance.

3. Other Provisions

The water service may be discontinued in the case of non-compliance. Non-compliance includes, but is not limited to the following:

- a. Refusal to allow the Parish Utility Department access to the property to inspect for cross-contamination;
- b. Removal of a backflow prevention assembly or method which has been required by the Parish Utilities Department;
- c. Bypassing of a backflow prevention assembly or method which has been approved by the Parish Utilities Department;

SECTION 4. **Registration and Transfer.** The Issuer shall cause the Bond Register to be kept by the Paying Agent. The Bonds may be transferred, registered and assigned only on the Bond Register, and such registration shall be at the expense of the Issuer. A Bond may be assigned only by the execution of an assignment form on the Bond. A new Bond or Bonds will be delivered by the Paying Agent to the last assignee (the new Owner) in exchange for such transferred and assigned Bond after receipt of the Bond to be transferred in proper form.

SECTION 5. **Form of Bond.** The Bond and the endorsements to appear thereon shall be in substantially the following form set forth in **Exhibit B** hereto.

SECTION 6. **Execution of Bonds.** The Bonds shall be signed by the Executive Officers for, on behalf of, in the name of and under the corporate seal of the Issuer, which signatures and corporate seal may be either manual or facsimile.

SECTION 7. **Fidelity Bonds for Officers and Employees.** So long as any of the Bonds are outstanding and unpaid, the Issuer shall require all of its officers and employees who may be in a position of authority or in possession of money derived from the collection of the Tax, to obtain or be covered by a blanket fidelity or faithful performance bond, or independent fidelity bonds written by a responsible indemnity company in amounts adequate to protect the Issuer from loss.

SECTION 8. **Pledge of Revenues.** The Bonds shall be secured by and payable in principal and interest solely from an irrevocable pledge and dedication of the Revenues of the Tax. The Revenues of the Tax are hereby irrevocably and irrevocably pledged and dedicated in an amount sufficient for the payment of the principal and interest on the Bond, as they shall respectively become due and payable, and for the other purposes hereinafter set forth in this Ordinance.

SECTION 9. **Additional Parity Bonds.** All of the Bonds shall enjoy complete parity of lien on the Revenues of the Tax despite the fact that any of the Bonds may be delivered at an earlier date than any other of the Bonds. The Issuer further covenants that it will issue no other bonds or obligations of any kind or nature payable from or enjoying a lien on the Revenues of the Tax having priority over or parity with the Bonds, except that Additional Parity Bonds may hereafter be issued on a parity with the Bonds under the following conditions:

- (a) The Bonds herein authorized or any part thereof, including the interest thereon, may be refunded, and the refunding bonds so issued shall enjoy complete equality of lien with the

portion of the Bonds which is not refunded, if there be any, and the refunding bonds shall continue to enjoy whatever priority of lien over subsequent issues may have been enjoyed by the Bonds refunded; provided, however, that if only a portion of the Bonds outstanding is so refunded and the refunding bonds require total principal and interest payments during any year in excess of the principal and interest which would have been required in such year to pay the Bonds refunded thereby, then such Bonds may not be refunded without the consent of the Owners of the unrefunded portion of the Bonds issued hereunder and any outstanding Additional Parity Bonds (provided such consent shall not be required if such refunding bonds meet the requirements set forth in clause (b) of this Section).

(b) Additional Parity Bonds may also be issued, and such Additional Parity Bonds shall be on a parity with the Bonds if all of the following conditions are met:

- (i) The combined principal and interest requirements for any calendar year on the Bonds, any Additional Parity Bonds previously issued and outstanding, and the proposed Additional Parity Bonds may not exceed 75% of the Revenues of the Tax received by the Issuer in the last completed calendar year immediately preceding the issuance of the proposed Additional Parity Bonds;
- (ii) The payments to be made into the various funds provided for in Section 10 hereof must be current;
- (iii) The existence of the facts required by paragraphs (i) and (ii) above must be confirmed by the Director of the Department of Finance of the Issuer, or by an independent firm of certified public accountants who have previously audited the books of the Issuer, or by such successors thereof as may have been employed for that purpose;
- (iv) The Additional Parity Bonds must be payable as to principal on February 1 of each year in which principal falls due and payable as to interest on February 1 and August 1 of each year; and
- (v) No Additional Parity Bonds may be issued should any event of default under the Bond Ordinance have occurred and be continuing.

Additional Parity Bonds may benefit from a reserve fund established in the resolution or ordinance authorizing their issuance without affecting the parity lien on the Revenues of the Tax permitted pursuant to this section.

SECTION 10. **Flow of Funds.** In order that the principal of and the interest on the Bonds will be paid in accordance with their terms and for the other objects and purposes hereinafter provided, the Issuer covenants as follows:

In compliance with the Tax Ordinance, all of the Revenues of the Tax shall be deposited daily as the same may be collected in the separate and special bank account maintained with the regularly designated fiscal agent of the Issuer, hereby designated as the "Sales Tax Fund-2005" (hereinafter called the "Sales Tax Fund"). The Sales Tax Fund constitutes a

dedicated fund of the Issuer, from which appropriations and expenditures by the Issuer shall be made solely for the payment of the Bonds and the purposes designated in the proposition authorizing the levy of the Tax.

Out of the funds on deposit in the Sales Tax Fund, the Issuer shall first pay all reasonable and necessary costs and expenses of collecting and administering the Tax. After payment of such expenses, the Revenues of the Tax shall be used in the following order of priority and for the following express purposes:

The establishment and maintenance of the "Sales Tax Bond Sinking Fund - 2005" (hereinafter called the "Sinking Fund") pay promptly and fully the principal of and the interest on the Bonds herein authorized, including any Additional Parity Bonds issued hereafter, as they severally become due and payable, by transferring from the Sales Tax Fund to the regularly designated fiscal agent of the Issuer, monthly in advance on or before the 20<sup>th</sup> day of each month of each year, a sum equal to one-sixth (1/6) of the interest and Administrative Fee, if any, falling due on the next Interest Payment Date and one-twelfth (1/12) of the principal falling due on the next principal payment date, together with such additional proportionate sum as may be required to pay said principal, interest and Administrative Fee, if any, as the same respectively become due. Said fiscal agent shall transfer from the Sinking Fund to the paying agent bank or banks for all bonds payable from the Sinking Fund, at least one (1) day in advance of the date on which payment of principal, interest or Administrative Fee, if any, falls due, funds fully sufficient to pay promptly the amounts due on such date.

In the event that there are insufficient moneys in the Sinking Fund on any Interest Payment Date or Principal Payment Date to pay the principal, interest and/or Administrative Fee, if any, falling due on the Bonds or any Additional Parity Bonds on such date, the moneys that are available for such purposes in the Sinking Fund shall be allocated on a pro-rata basis among all such bonds, regardless of the amount of funds that are available for the benefit of any particular series of the Bonds or Additional Parity Bonds in any reserve fund or account.

All moneys remaining in the Sales Tax Fund on the 20<sup>th</sup> day of each month after paying (i) all reasonable and necessary costs and expenses of collecting and administering the Tax, and (ii) the required payments for the current month and for prior months during which the required payments may not have been made into the Sinking Fund and any reserve fund established in connection with any future Additional Parity Bonds, shall be considered as surplus. Such surplus may be used by the Issuer for any of the purposes permitted pursuant to the proposition authorizing the levy of the Tax.

The Sales Tax Fund and the Sinking Fund provided for in this Section shall all be and constitute trust funds for the purposes provided in this Ordinance, and the Owners of the Bonds and any Additional Parity Bonds are granted a lien on all such funds until applied in the manner provided herein. The moneys in such funds shall at all times be secured to the full extent thereof by the bank or trust company holding such funds in the manner required by the laws of the State of Louisiana.

SECTION 11. **Issuer Obligated to Continue to Collect Tax.** The Governing Authority of the Issuer is bound under the terms and provisions of law, to levy, impose, enforce and collect the Tax and to provide for all reasonable and necessary rules, regulations, procedures and penalties in connection therewith, including the proper application of the Revenues of the Tax, until all of the Bonds have been retired as to both principal and interest. Nothing herein contained shall be construed to prevent the Issuer from altering, amending or repealing from time to time as may be necessary the Tax Ordinance providing for the levying, imposition, enforcement and collection of the Tax or any subsequent ordinance providing therefor, said alterations, amendments or repeals to be conditioned upon the continued preservation of the rights of the Owners with respect to the Revenues of the Tax. The Tax Ordinance and the obligation to continue to levy, collect and allocate the Tax and to apply the revenues therefrom in accordance with the provisions of this Ordinance, shall be irrevocable until the Bonds have been paid in full as to both principal and interest, and shall not be subject to amendment in any manner which would impair the rights of the Owners from time to time of the Bonds or which would in any way jeopardize the prompt payment of principal thereof and interest thereon. More specifically, the Issuer may not discontinue or decrease the Tax or permit to be discontinued or decreased the Tax in anticipation of the collection of which the Bonds have been issued, or in any way make any change in such Tax which would diminish the amount of the Revenues of the Tax to be received by the Issuer, until all of such Bonds shall have been retired as to both principal and interest.

SECTION 12. **Covenants of the Issuer.** In providing for the issuance of the Bonds, the Issuer does hereby covenant that it has a legal right to levy and collect the Tax, to issue the Bonds and to pledge the Revenues of the Tax, and that the Bonds will have a lien and privilege on the Revenues of the Tax as herein provided.

SECTION 13. **Issuer to Maintain Books and Records.** So long as any of the Bonds are outstanding and unpaid in principal or interest, the Issuer shall maintain and keep proper books of records and accounts separate and apart from all other records and accounts in which shall be made full and correct entries of all transactions relating to the collection and expenditure of the Revenues of the Tax, including specifically but without limitation, all reasonable and necessary costs and expenses of collection. Not later than six (6) months after the close of each Fiscal Year, or such later date as may be permitted by the Louisiana Legislative Auditor, the Issuer shall cause an audit of such books and accounts to be made by the Louisiana Legislative Auditor (or his successor) or by a recognized independent firm of certified public accountants showing the receipts of and disbursements made for the account of the aforesaid Sales Tax Fund. Such audit shall be available for inspection upon request by the Owners of any of the Bonds. The Issuer further agrees that the Paying Agent and the Owners of any of the Bonds shall have at all reasonable times the right to inspect the records, accounts and data of the Issuer relating to the Tax.

SECTION 14. **Application of Proceeds.** The Executive Officers are hereby empowered, authorized and directed to do any and all things necessary and incidental to carry out all of the provisions and accomplish the purpose of this Bond Ordinance, to cause the necessary Bonds to be printed, to issue, execute, seal and deliver the Bonds, to affect the delivery of the Bonds in accordance with the sale thereof, and to collect the purchase price therefor. As a condition to the issuance of the Bonds, there is hereby authorized and directed the application of the proceeds from

the sale of the Bonds to the payment and redemption of the Refunded Bonds in principal and interest and the remainder to the Costs of Issuance thereof.

SECTION 15. **Bonds Legal Obligations.** The Bonds shall constitute valid and binding obligations of the Issuer and shall be the only representations of the indebtedness as herein authorized and created.

SECTION 16. **Ordinance a Contract.** The provisions of this Ordinance shall constitute a contract between the Issuer and the Owner or Owners from time to time of the Bonds, and any such Owner or Owners may at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel the performance of all duties required to be performed by this Governing Authority or the Issuer as a result of issuing the Bonds.

No material modification or amendment of this Ordinance, or of any ordinance amendatory hereof or supplemental hereto, may be made without the consent in writing of the Owners of two-thirds (2/3) of the aggregate principal amount of the Bonds then outstanding; provided, however, that no modification or amendment shall permit a change in the maturity provisions of the Bonds, or a reduction in the rate of interest thereon, or in the amount of the principal obligation thereof, or affecting the obligation of the Issuer to pay the principal of and the interest on the Bonds as the same shall come due from the revenues appropriated, pledged and dedicated to the payment thereof by this Ordinance, or reduce the percentage of the Owners required to consent to any material modification or amendment of this Ordinance, without the consent of the Owners of the Bonds.

SECTION 17. **Severability; Application of Subsequently Enacted Laws.** In case any one or more of the provisions of this Ordinance or of the Bonds shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Ordinance or of the Bonds, but this Ordinance and the Bonds shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provisions enacted after the date of this Ordinance which validate or make legal any provision of this Ordinance and/or the Bonds which would not otherwise be valid or legal, shall be deemed to apply to this Ordinance and to the Bonds.

SECTION 18. **Recital of Regularity.** This Governing Authority having investigated the regularity of the proceedings had in connection with the Bonds and having determined the same to be regular, the Bonds shall contain the following recital, to-wit:

"It is certified that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of this State."

SECTION 19. **Effect of Registration.** The Issuer, the Paying Agent, and any agent of either of them may treat the Owner in whose name any Bond is registered as the Owner of such Bond for the purpose of receiving payment of the principal of and interest on such Bond and for all other purposes whatsoever, and to the extent permitted by law, neither the Issuer, the Paying Agent, nor any agent of either of them shall be affected by notice to the contrary.

SECTION 20. **Notices to Owners.** Wherever this Ordinance provides for notice to Owners of Bonds of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Owner of such Bonds, at the address of such Owner as it appears in the Bond Register. In any case where notice to Owners of Bonds is given by mail, neither the failure to mail such notice to any particular Owner of Bonds, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Owner or Owners entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Owners shall be filed with the Paying Agent, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 21. **Cancellation of Bonds.** All Bonds surrendered for payment, transfer, exchange or replacement, if surrendered to the Paying Agent, shall be promptly canceled by it and, if surrendered to the Issuer, shall be delivered to the Paying Agent and, if not already canceled, shall be promptly canceled by the Paying Agent. The Issuer may at any time deliver to the Paying Agent for cancellation any Bonds previously registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly canceled by the Paying Agent. All canceled Bonds held by the Paying Agent shall be disposed of as directed in writing by the Issuer.

SECTION 22. **Mutilated, Destroyed, Lost or Stolen Bonds.** If (1) any mutilated Bond is surrendered to the Paying Agent, or the Issuer and the Paying Agent receive evidence to their satisfaction of the destruction, loss or theft of any Bond, and (2) there is delivered to the Issuer and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute, and upon its request the Paying Agent shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Bond, a new Bond of the same maturity and of like tenor, interest rate and principal amount, bearing a number not contemporaneously outstanding. In case any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Bond, pay such Bond. Upon the issuance of any new Bond under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith. Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen bond shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Bond shall be at any time enforceable by anyone and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Bonds. Any additional procedures set forth in the Agreement, authorized in this Ordinance, shall also be available with respect to mutilated, destroyed, lost or stolen Bonds. The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds.

SECTION 23. **Discharge of Ordinance; Defeasance.** If the Issuer shall pay or cause to be paid, or there shall otherwise be paid to the Owner, the principal of and interest on the Bonds, at

the times and in the manner stipulated in this Ordinance, then the pledge of the money, securities, and funds pledged under this Ordinance and all covenants, agreements, and other obligations of the Issuer to the Owner shall thereupon cease, terminate, and become void and be discharged and satisfied, and the Paying Agent shall pay over or deliver all money held by it under this Ordinance to the Issuer.

Bonds or interest installments for the payment of which money or Government Securities shall have been set aside and shall be held in trust (through deposit thereof by the Issuer for such payment or otherwise) at the maturity date thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section if they are defeased in the manner provided by Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, as amended.

SECTION 24. **Successor Paying Agent; Paying Agent Agreement.** The Issuer will at all times maintain a Paying Agent meeting the qualifications hereinafter described for the performance of the duties hereunder for the Bonds. The designation of the initial Paying Agent in this Ordinance is hereby confirmed and approved. The Issuer reserves the right to appoint a successor Paying Agent by (a) filing with the Person then performing such function a certified copy of an ordinance or Ordinance giving notice of the termination of the Agreement and appointing a successor and (b) causing notice to be given to each Owner. Every Paying Agent appointed hereunder shall at all times be a bank or trust company organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers, and subject to supervision or examination by Federal or State authority. The Executive Officers are hereby authorized and directed to execute an appropriate Agreement with the Paying Agent for and on behalf of the Issuer in such form as may be satisfactory to said officers, the signatures of said officers on such Agreement to be conclusive evidence of the due exercise of the authority granted hereunder.

SECTION 25. **Arbitrage.** The Issuer covenants and agrees that, to the extent permitted by the laws of the State of Louisiana, it will comply with the requirements of the Code in order to establish, maintain and preserve the exclusion from "gross income" of interest on the Bonds under the Code. The Issuer further covenants and agrees that it will not take any action, fail to take any action, or permit any action within its control to be taken, or permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly in any manner, the effect of which would be to cause the Bonds to be "arbitrage bonds" or would result in the inclusion of the interest on any of the Bonds in gross income under the Code, including, without limitation, (i) the failure to comply with the limitation on investment of Bond proceeds, (ii) the failure to pay any required rebate of arbitrage earnings to the United States of America or (iii) the use of the proceeds of the Bonds in a manner which would cause the Bonds to be "private activity bonds".

The Executive Officers are hereby empowered, authorized and directed to take any and all action and to execute and deliver any instrument, document or bond necessary to effectuate the purposes of this Section.

SECTION 26. **Disclosure Under SEC Rule 15c2-12.** It is recognized that the Issuer will not be required to comply with the continuing disclosure requirements described in the Rule 15c-2-12(b) of the Securities and Exchange Commission [17 CFR §240.15c2-12(b)].

SECTION 27. **Designation Concerning "Qualified Tax-Exempt Obligations".** The Bonds are designated as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Code.

SECTION 28. **Post-Issuance Compliance.** The Executive Officers and/or their designees are directed to establish, continue, and/or amend, as applicable, written procedures to assist the Issuer in complying with various State and Federal statutes, rules and regulations applicable to the Bonds and are further authorized to take any and all actions as may be required by said written procedures to ensure continued compliance with such statutes, rules and regulations throughout the term of the Bonds.

SECTION 29. **Award of Bonds.** The Purchasers, acting through the term sheet attached as **Exhibit A** hereto, have agreed to purchase all of the Bonds in accordance with and pursuant to the terms of this Ordinance, and this Governing Authority hereby confirms the sale of the Bonds to the Purchasers in accordance with the term sheet as executed. The Bonds shall be delivered to the Purchasers upon the payment of the principal amount thereof. As a condition to the delivery of the Bonds to the Purchasers, each Purchaser will execute a standard letter, acceptable to it and the Issuer, indicating it has conducted its own analysis with respect to the Bonds and is purchasing the Bonds as a vehicle for making a commercial loan to the Issuer.

SECTION 30. **Call for Redemption.** Subject only to the delivery of the Bonds, the Refunded Bonds, are hereby called for redemption on May 5, 2022, at the principal amount thereof, and accrued interest to the date of redemption, in compliance with their terms.

SECTION 31. **Notice of Call for Redemption.** A Notice of Call for Redemption, in substantially the form attached hereto as **Exhibit C**, shall be given by the Paying Agent by (i) mailing a copy of the redemption notice by first class mail, postage prepaid, by notice deposited in the United States mails not less than thirty (30) days prior to the redemption date addressed to the registered owner of each Refunded Bond to be redeemed at his address as shown on the registration books of the Paying Agent, or (ii) delivering to the registered owner of each Refunded Bond to be redeemed a copy of the redemption notice via other accepted means of electronic communication.

SECTION 32. **Publication.** This Ordinance shall be published one time in the official journal of the Issuer. For thirty days after the date of publication, any person in interest may contest the legality of this Ordinance, any provision of the Bonds, the provisions therein made for the security and payment of the Bonds and the validity of all other provisions and proceedings relating to the authorization and issuance of the Bonds. After the said thirty days, no person may contest the regularity, formality, legality or effectiveness of this Ordinance, any provisions of the Bonds to be issued pursuant hereto, the provisions for the security and payment of the Bonds and the validity of all other provisions and proceedings relating to their authorization and issuance, for any cause whatever. Thereafter, it shall be conclusively presumed that the Bonds are legal and that

every legal requirement for the issuance of the Bonds has been complied with. No court shall have authority to inquire into any of these matters after the said thirty days.

SECTION 33. **Headings.** The headings of the various sections hereof are inserted for convenience of reference only and shall not control or affect the meaning or construction of any of the provisions hereof.

SECTION 34. **Effective Date.** This Ordinance shall become effective immediately.
