He stated that in August 2023 the accounts payable department emailed Gatehouse Media (Post South) in regards to an incorrect charge on the Parish account that in fact belonged to the Iberville Clerk of Court's Office. There were multiple exchanges in reference to the charge and even sent proof of payment from the Clerk of Court and that charge still has not been removed from the Parish account.
- He also stated that on multiple different days he went to their office on Church Street and there was no one there, it was dark, and locked up. He asked the neighboring office if anyone was ever in the office and they stated they never see anyone but someone does come check the mail. The papers are not sold in the stores and the only way to get a paper is to subscribe to it.
- Ms. Pam Boesch, Director of Chamber of Commerce, share an office building with the Post South. She stated that she has not seen an employee there since 2020. People are always coming to her office looking for a newspaper or a way to submit an ad. She said she would not consider that a newspaper.
