## **Vision & Goals Introduction**

The information gathered from the visioning sessions, Iberville Parish Strategic Plan and interviews with Iberville Citizens was used to create the master plan's *Vision and Goals*. The *Vision* is the overriding theme which defines the community's dream for the future of the parish. The *Goals* take the *Vision* and break it into individual elements which need to be addressed in order to attain the "dream." Each goal is analyzed with regard to:

- The **Community's Perception** of existing conditions
- A **Reality Response** of that perception
- An **Opportunity Response** which seeks to list a set of measurable *objectives*

Each *objective* separates the goals into smaller tasks, when jointly accomplished, will achieve the desired goal. Furthermore, as represented at all the community meetings, the *Vision*, *Goals*, and *Objectives* of the master plan will take advantage of the continued efforts by the Louisiana Economic Development Council (LEDC) by integrating master plan objectives with Vision 2020. This prerogative will help to insure that the efforts made in Iberville will coincide with, and be amplified by, the wider efforts by state officials. The development of the objectives for each master plan goal will reflect consideration of the three principal areas of emphasis outlined in the Vision 2020 graphic:

Honorable Matthew H. Jewell, Council Chairman,  
Members of the Iberville Parish Council  
Citizens of Iberville Parish  
Plaquemine, Louisiana

Dear Council Chairman, Members and Citizens:

I respectfully submit for your review and consideration budgets for our General and Special Revenue funds, and Capital Improvement funds for Iberville Parish for fiscal year 2015.

The economy of Iberville Parish has experienced continued growth during 2014. We have experienced a slight decrease in sales/use tax and an increase in property taxes during 2014 due taxpayer audit settlements and increased taxable values on the parish property tax rolls. We expect taxes to remain elevated during 2015 with a gradual taper during 2016.

## Economic Outlook and Revenue Forecast

Sales\Use Tax projections, our major revenue source, are primarily based on construction and maintenance activity from our petro-chemical industry. There are some possible plant expansions on the horizon. We believe that Iberville has leveled off its ceiling of Sales\Use tax collections during 2014. Low natural gas prices have led to a decrease in the petrochemical industry production cost but demand for product is lower because of economic conditions. The continued slow recovery of the national economy has driven petrochemical manufacturing demand higher. Conditions do look favorable for 2015 and 2016.

The Constitutional Amendment that was adopted on the November 2, 2010 will provide for an increase in severance tax collections that can be used for the maintenance and construction of parish roadways. This will change the annual maximum amount remitted to Iberville Parish \$850,000 to \$1,850,000 for the first year and \$2,850,000 in subsequent years. Iberville Parish is not in a position to reach the \$1,850,000 cap, nor will it be a position to reach the \$2,850,000 cap in year 2. Because of the language in the amendment, natural gas prices have to exceed year 2008 levels for the new limits to take effect. We estimate that Iberville will receive \$1,000,000 during 2015. Once Natural Gas prices return to the 2008 levels, we expect to see a significant increase in severance tax collections.

*An Equal Opportunity Employer*

Imagine  Iberville!

The Iberville Parish Council voted to adopt the assessor's millage rates as presented. There was no significant increase in taxable property that warranted a roll-back of millages. The adjusted rates for the year are as follows:

<u>Purpose</u>	<u>Adj. Rate</u>	<u>Max Rate Allow.</u>
General Alimony	2.49	2.49
General Alimony within City Limits	1.24	1.24
Iberville Parks and Recreation	3.00	3.00
Public Building Maintenance	3.00	3.00
Parish-Wide Drainage	5.00	5.00
Library Maintenance	4.00	4.00
Fire District No. 2	6.76	6.78
Fire District No. 1	3.83	3.95

The Iberville Parish Assessor completed a property tax re-assessment and presented adjusted rates to the Parish Council in August of 2012. The next re-assessment will take place during 2016.

## **Comments on Operations**

### ***Solid Waste Program***

Iberville Parish has renegotiated its contract with Progressive Waste Solutions of LA for a new four year term beginning January 1, 2012 ending December 31, 2015. The provisions of that contract increased the cost of twice weekly curbside residential pickup, once per week boom pickup and recycle drop-off points throughout the parish. Progressive also increased the house count which brought increased the total monthly billing. In January of 2012 the administration made changes to the Solid Waste fund to cut expenditures in an effort to save the fund from insolvency. In August of 2012, Iberville parish went from twice a week pickup to once per week pickup and changed the boom truck service to twice per month. These changes had a significant effect on balancing the cutting cost during 2013 and balancing the budget for 2014. Iberville administration has proposed a balanced budget for 2015. Should the cost for the disposal of solid waste continue to rise, the parish will need to find an alternate source of revenue to continue collection. This will need to be addressed during contract negotiations in 2015.

### ***Sales\Use Tax***

Iberville Parish levies a 3% Sales\Use tax parish wide (2 2/3 within the municipal limits of St. Gabriel) that is collected for the following purposes:

1. 52.25 Percent of a 1% sales tax or .5225% for General Purposes which are budgetary earmarked for the following purposes:
  - a. Road Bond Debt Service
  - b. Public Building Maintenance
  - c. Emergency 911 Service

d. General Fund

2. 52.25 Percent of a 1% sales tax or .5225% for General Purposes which are budgetarily earmarked for General Expenditure.
3. 62.0439 percent of a 2/3% sales tax or .4135% for General Purposes and Fire Protection.
4. 100% percent of a 1/3% sales tax to be used strictly for Solid Waste Collection.

We have projected sales\use tax to decrease from \$17,029,400 in 2014, to \$16,759,150 in 2015. The projected decrease is due to current economic conditions and a general decrease in use tax for 2014 and 2015. It is always the administrations intent to take a conservative approach when budgeting revenues and allocating expenditures based on those conservative estimates.

Schedule of Future sales/use tax percentages:

2014 – 3%  
2015 – 3%  
2016 – 3%  
2017 – 3%  
2018 – 3%

***Property Tax***

Iberville Parish levied an average of 9.978 mills parish-wide which is projected to generate \$6,000,000 for 2015, up from \$5,190,000 in 2014. Iberville Parish used its property taxes to fund General Government, Public Safety, Public Works, Economic Development, Health, Public Building Maintenance, Drainage Maintenance and Fire Protection. The biggest reason for this increase was because of the renewal of the Public Building Maintenance tax.

Schedule of 2014 property tax authorized millage rates.

Primary Government:

	<u>Authorized</u>	<u>2014 Levy</u>
General Alimony	2.49 mills	2.49 mills
General Alimony within Municipal limits	1.24 mills	1.24 mills
Parish-Wide Drainage	5.00 mills	5.00 mills
Public Building Maintenance	3.00 mills	3.00 mills

Component Units:	<u>Authorized</u>	<u>2014 Levy</u>
Parks and Recreation	3.00 mills	3.00 mills
Library	4.00 mills	4.00 mills

Schedule of additional 2014 property tax authorized within Fire Protection Districts:

	<u>Authorized</u>	<u>2014 Levy</u>
Fire District No. 1	3.95 mills	3.83 mills
Fire District No. 2	6.78 mills	6.76 mills

We expect to levy the same millage rates in 2015.

### ***Major Revenue Sources***

#### *Ad Valorem (Property) Tax*

Property taxes are classified as ad valorem. The words "ad valorem" are based on the Latin words of ad, meaning "according to" and valorem, meaning "value". Therefore, an ad valorem tax is a tax levy that is appropriated among taxpayers according to the value of each taxpayer's property. Property taxes are a means for local governmental bodies to pay for services they provide to taxpayers.

#### *Sales/Use tax*

Iberville imposes a sales tax on the retail sale of each item of tangible personal property. Tangible personal property is defined as personal property which may be seen, weighed, measured, felt or touched, or as any other manner perceptible to the senses. In addition to a sales tax, Louisiana also poses a use tax on items purchased in other states, but brought into Louisiana for use, consumption, distribution, and storage for use in consumption.

### ***Employee Benefits***

#### *Health Insurance*

Health insurance premiums did not increase during 2014. There were no changes in benefits, co-payments or deductibles. We still strive to maintain rates as low as possible and fund a substantial portion of the employees' health coverage. The premium cost share for 2014/2015 is \$663 for the employer and the balance for the employee for single coverage currently is \$77.56/month or \$191.70/month depending on plan selection. Dependent and Family coverage plans have also increased. Dependent coverage will remain the responsibility of the employee.

### *Retirement Contributions*

The 2014 employer's contribution rate to the Parochial Employees' Retirement System (PERS) was certified at 16.00% by the system's Board of Trustees. The 2015 employer's required contribution rate to the system is 14.50%. This budget provides funding at this level. The employee contribution rate will remain at 9.50% in 2015.

### *Summary of All Funds*

The proposed budget for the year 2015 including all funds, exclusive of transfers between funds is \$41,312,608. This represents a decrease of 15.04% from year 2014. The chart below depicts a comparison between the 2014 and 2015 budgets by fund type.

#### **Appropriations – All Funds 2014 compared to 2013**

	<b>2014 Budget</b>	<b>2015 Budget</b>	<b>2014 Budget Over (Under) 2014 Budget</b>	
<b>Fund Type</b>	<b><u>Amount</u></b>	<b><u>Amount</u></b>	<b><u>Amount</u></b>	<b><u>Percent</u></b>

**Total 2015 Appropriations by Fund Type  
Excluding Transfers between funds \$37,745,608**

**General Fund**

As shown above, the General Fund makes up 28% of our total budget for 2015. The general fund provides funding for general operations of the government and includes most revenue that is not legally dedicated for a specific purpose.

*General Fund Sources of Revenue \$11,821,641*

The General Fund has three major sources of revenue: Sales Tax collections, Property Tax Collections and Severance Tax Collections. These three sources account for over 50% of the General Fund Revenue. The underlying assumption for the estimates in Property Tax is that it increases by 2% to 6% per year if the Parish Council rolls the millages to the amount authorized by proposition. Insurance Fees have increased due to the increased cost of our insurance policies.

The total appropriations for the General Fund 2015 Annual Operating Budget increased by \$427,833 compared to the 2014 Amended Budget.

### Appropriations – General Fund 2015 compared to 2014

### Debt Management

Iberville Parish issued \$12,000,000 of Sales Tax Revenue Bonds in February of 2007 to construct and improve parish roads and to construct a new facility for elderly citizens. The bonds were rated A+ by Standard and Poor's then later the rating was upgraded to AAA once the bonds had been fully insured. All debt associated with this issuance will be serviced out of the Sales Tax Bond Debt Service Fund.

Iberville Parish issued an additional \$8,970,000 of Sales Tax Revenue Bonds in April of 2009 to construct and improve parish roads and to supplement the construction cost of rebuilding the parish maintenance barn facility from damage sustained following Hurricane Gustav. The bonds are rated A+ by Standard and Poor's.

On October 21, 2014 Iberville Parish has \$16,652,527 in primary government debt. \$15,965,000 of this debt was due to sales tax revenue bonds, \$142,527 in capital lease financing and \$545,000 was due to limited tax certificates of indebtedness.

Non recurring capital expenditures will not affect the operating budget of the government funds or any of its component units. Those capital Expenditures are depreciated based on classification and that depreciation is added to the government-wide financial statement.

### **Fund Balances**

Our major accomplishment for 2015 is a near balanced budget across all funds without significantly dipping into reserves. We are projected to increase fund balance in total for 2015 by \$2,462,540. The Iberville Parish Solid Waste Fund will maintain a balanced budget form both amended 2014 and 2015 budget years. We continue to monitor the Solid Waste Fund closely because of the fluctuations in sales taxes coupled with fixed cost of the collection contract. The 2015 budget also includes a balanced General Fund Budget. Because of an increase in public service commission property for 2014, Property taxes were higher than originally projected. This relieves the pressure on the Public Building Maintenance fund which in turn puts more Sales Taxes in the General Fund. There are no material increases or decreases in Fund Balances for any of our government funds for 2015.

### **Relevant Financial Policies**

The Iberville Parish government strives to adhere to not only its short term financial policies but also its long term financial policies. Long term financial policies are driven by the conservative approach to financial management implemented by the finance department on a daily basis. Long term financial plans, as well as, policies have been developed to ensure that our citizens are guaranteed a high level of service with the least amount of cost. Iberville has implemented to main policies to ensure financial stability. These two policies are as follows:

- a. Iberville Parish will not allow salaries and benefits to become greater than 30% of its total budget. This enables Iberville to continue to offer the services that the parish needs the most by committing a large portion of our budget each year to capital outlay projects.
- b. Iberville Parish limits bonded debt to 50% outstanding principal balance in relation to the source of revenue for which the debt service is attached. This allows Iberville to secure an excellent bond rating and continue to use the remainder of the tax to maintain the purpose of the original bond offering.

### **Significant Budgetary Items and Trends**

#### ***Budgeted Revenue Trend Analysis***

As discussed in the previous paragraphs, Iberville Parish is predominately dependent on Sales and Property tax revenue to provide services to its citizens. The Finance Department projects Sales Tax revenues to decrease slightly from 2014 and 2015. The Use portion of our sales tax collections is heavily dependent on industrial plant maintenance and expansion.

Property taxes tend to remain more constant, due to the increased property values from year to year.

Sales taxes are cyclical in nature. Based on historical data, in normal economic times, they rise and fall in 3 to 4 year increments. We feel as if we have reached peak of this cycle in 2014, with taxes beginning to fall in 2015 and 2016. Revenue trends are addressed in further detail in the comments section on each fund type and the statistical information section.

### ***Budgeted Expenditure Trend Analysis***

Operating budgeted expenditures have increased. The amended 2014 operating budget expenditure total is \$35,753,875 and the 2015 operating budget expenditure total is \$33,367,858 for a net decrease of \$2,386,016.

Capital budgeted expenditures have decreased from a 2014 amended budget amount of \$17,877,760 to a 2015 budgeted amount of \$4,377,750. Most of this decrease was due to the imminent completion of the new medical facility in Plaquemine, Louisiana.

### **Priorities and Issues for the 2015 Budget Year**

Iberville Parish is facing a projected decrease in Sales\Use Tax collections for 2014 and 2015. Because of strengthening fund balances over the last 3 years Iberville is expected to continue to operate at current service levels until those taxers rebound.

In 2013, Iberville began construction of a new ER/Ambulatory Care facility in Plaquemine. The purchase of property and construction of the facility is funded through Hurricane Gustav Recovery funds and State of Louisiana Capital Outlay funds. Iberville Parish has signed a memorandum of understanding with Ochsner to serve as the operator of the facility. The only Emergency Medical Facility in Iberville parish was heavily damaged by the hurricane and subsequently closed. The administration's number one priority has become to building and reopening a new emergency medical facility within Iberville Parish. The construction is currently nearing completion. It is our main goal during the next year to work with Ochsner to make this facility successful.

The Louisiana Recovery Authority has also approved other projects for Iberville Parish, including but not limited to water tower construction, drainage projects, building renovations, sewer projects and housing rehabilitation.

### **Capital Projects for 2015**

Iberville Parish will expend \$4,377,750 for capital outlay projects for 2015. Some of the major projects that are included in the 2015 budget are as follows:

1. Iberville parish has budgeted \$1,100,000 to complete bridge improvements on Gracie Ln and Callegan Rd. Construction funds are provided by the State of Louisiana bridge replacement program.
2. We have also budgeted \$250,000 for the Road Improvements and \$200,000 for Civic Center Improvements.
3. Iberville has budgeted \$750,000 for HVAC replacement at the Courthouse and included an additional \$750,000 in the 5 year capital outlay plan.
4. Iberville has also budgeted \$300,000 for the construction of a maintenance building at the Iberville Medical Facility and \$200,000 for various drainage work throughout the parish.

The addition of capital outlay as assets on the balance sheet do affect operating costs in some cases. Each case varies and its operating cost is examined to make sure it meets the constraints of its associate operating budget.

### **Distinguished Budget Presentation**

The Finance Department received the "Distinguished Budget Presentation Award" from the Government Finance Officer's Association of the United States and Canada for the *2013 Annual Operating Budget*. This award is the highest professional recognition in governmental budgeting. To receive this award, a government must publish a budget document that meets program criteria as a policy document, an operations guide, a financial plan and a communications device. This is the ninth consecutive year that the department has received this award. I commend the Finance Department for having repeatedly demonstrating their commitment to excellent financial disclosure.

This budget sets forth the priorities of the administration. I thank the Iberville Parish Council and all employees who work tirelessly in their service to the citizens of Iberville Parish. With full cooperation from the Iberville Parish Council, Iberville Parish will continue to move forward, and to improve the quality of life for our residents.

Sincerely,

Jessel M. Ourso, Jr.

## **PARISH STRUCTURE**

---

In 1997 a new form of government was established for the Parish which was written by a committee and voted on by registered voters – an elected Council with legislative authority and a parish-wide elected President who serves as the executive authority and is responsible for the administration of Parish government. Since the implementation of the Home Rule Charter, Parish residents have enjoyed increased services, improvements, and more efficient use of its resources. The Home Rule Charter provides the people of Iberville Parish:

- More access to government
- A balanced budget
- Full time Parish President elected by the voters of Iberville Parish
- A thirteen member Council elected in single member districts

## **BUDGET PROCESS**

---

### **Operating Budget**

The fiscal year of the Parish Government is January 1 through December 31. During the budget process, we strive to determine the best allocation of limited estimated revenues. A budget calendar is developed to provide an overall view of the budget process which can help to ensure that all aspects have been considered and that adequate time has been devoted to meet deadlines. The budget calendar for the development of the 2015 Annual Operating Budget was as follows:

July 21, 2014	Letters were sent from the Parish President's Office to supervisors, directors, and coordinators seeking their departmental budget request
August 15, 2014	Deadline for submitting budget requests
October 1, 2014	Compilation of proposed budget sent to Parish President for review
October 21, 2014	Proposed budget submitted to Parish Council
November 18, 2014	Parish Council approval of proposed budget
January 1, 2015	Operating Budget effective

Budget request packets were sent to the departments and agencies in July 2014. Each department was asked to review prior year spending and provide a forecast of what anticipated future spending would be. They were also asked to schedule a meeting with the finance director to discuss the departmental plans for the next year.

In the months to follow, several budget discussions took place between finance personnel and administration in order to put together a proposed budget. According to the Home Rule Charter, the President shall submit to the Council a proposed operating budget at least sixty (60) days prior to

the beginning of the fiscal period. At the Council meeting at which the operating budget is submitted, the Council ordered a public hearing to discuss the budget submitted. The final budget shall be finally adopted no later than thirty (30) days prior to the end of the fiscal year.

### **Capital Projects Budget**

The Annual Operating Budget includes a section for Capital Improvement Programs. The Capital Project Budget is submitted and adopted at the same time as the Operating Budget. This section provides a summary of major capital improvements that are either continuing into or beginning in the new budget year. Major capital improvements are subject to separate budgetary processes which often involve federal or state grants; therefore, detailed budgets are generally adopted or amended individually.

## **BUDGETARY STRUCTURE**

Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to expenditure for specified purpose.

**FINANCIAL POLICIES**

---

The Financial Policies were included in the Home Rule Charter which was adopted on January 18, 1997 and effective on October 31, 1997.

*Basis of Budgeting*

The Parish Council budget is prepared on a modified accrual basis of accounting using a current financial resources measurement focus. Revenues are recognized to the extent that they are measurable and available. Available means that the revenues will be collected within 60 days of the end of the calendar year. Expenditures are recognized when measurable, generally when the liability is incurred, and will be liquidated with current resources.

The Iberville Parish Annual Budget is adopted on a basis consistent with Generally Accepted Accounting Principles for all governmental funds except all capital project funds. All capital project funds adopt project-length budgets.

*Budgetary Accounting*

The Finance Department maintains budgetary control at the department or project level. Budget amendments within each department or project may be made with the approval of the department head, administration, and finance director. Supplement budget appropriations on a department level may be processed with the approval of the Parish President and the Parish Council. Unexpended appropriation lapse at year-end, except those for capital projects, which remain open until the projects are completed.

*Use of One-Time Revenues*

The Parish will limit the use of one-time revenues which cannot be relied on in future budget periods to non-recurring expenditures. One-time revenues are mainly from non-recurring grants, but can come from other areas. The majority of one-time revenues are for the fire departments and the Office of Emergency Preparedness; however, a few other departments, such as mosquito abatement and animal control, have received this type of funding as well.

*Debt Issuance*

The Parish will adhere to all legal or statutory limitations on debt level and capacity. Prior to the issuance of debt, an extensive evaluation of debt capacity will be conducted based on current financial capacity, projected future capacity, statutory and constitutional limitations, and bond covenants.

**Iberville Parish Council**  
Plaquemine, Louisiana  
**Overview of Parish Budget**

*Expenditure Policies*

The Parish will maintain a level of expenditures that will provide for the well-being and safety of the residents of the community. All expenditures made shall be for a public purpose, and no expenditures will be made which are prohibited by administrative directives, local ordinances, or federal and state statutes. The Parish will comply with the Public Bid Law in the procurement of goods and services.

*Balancing the Operating Budget*

The Parish shall prepare an itemized budget for each fund. The budget must be balanced. A “balanced budget” is defined as the total budgeted expenditures that shall not exceed the total estimated revenues, including beginning fund balances, available within each fund. In any fund in which expenditures/expenses exceed revenues, operating reserves shall be used to meet the shortfalls. The 2013 budget was balanced primarily by tax revenue, fund balance and conservative expenditure forecasts.

## **LEGAL REQUIREMENTS**

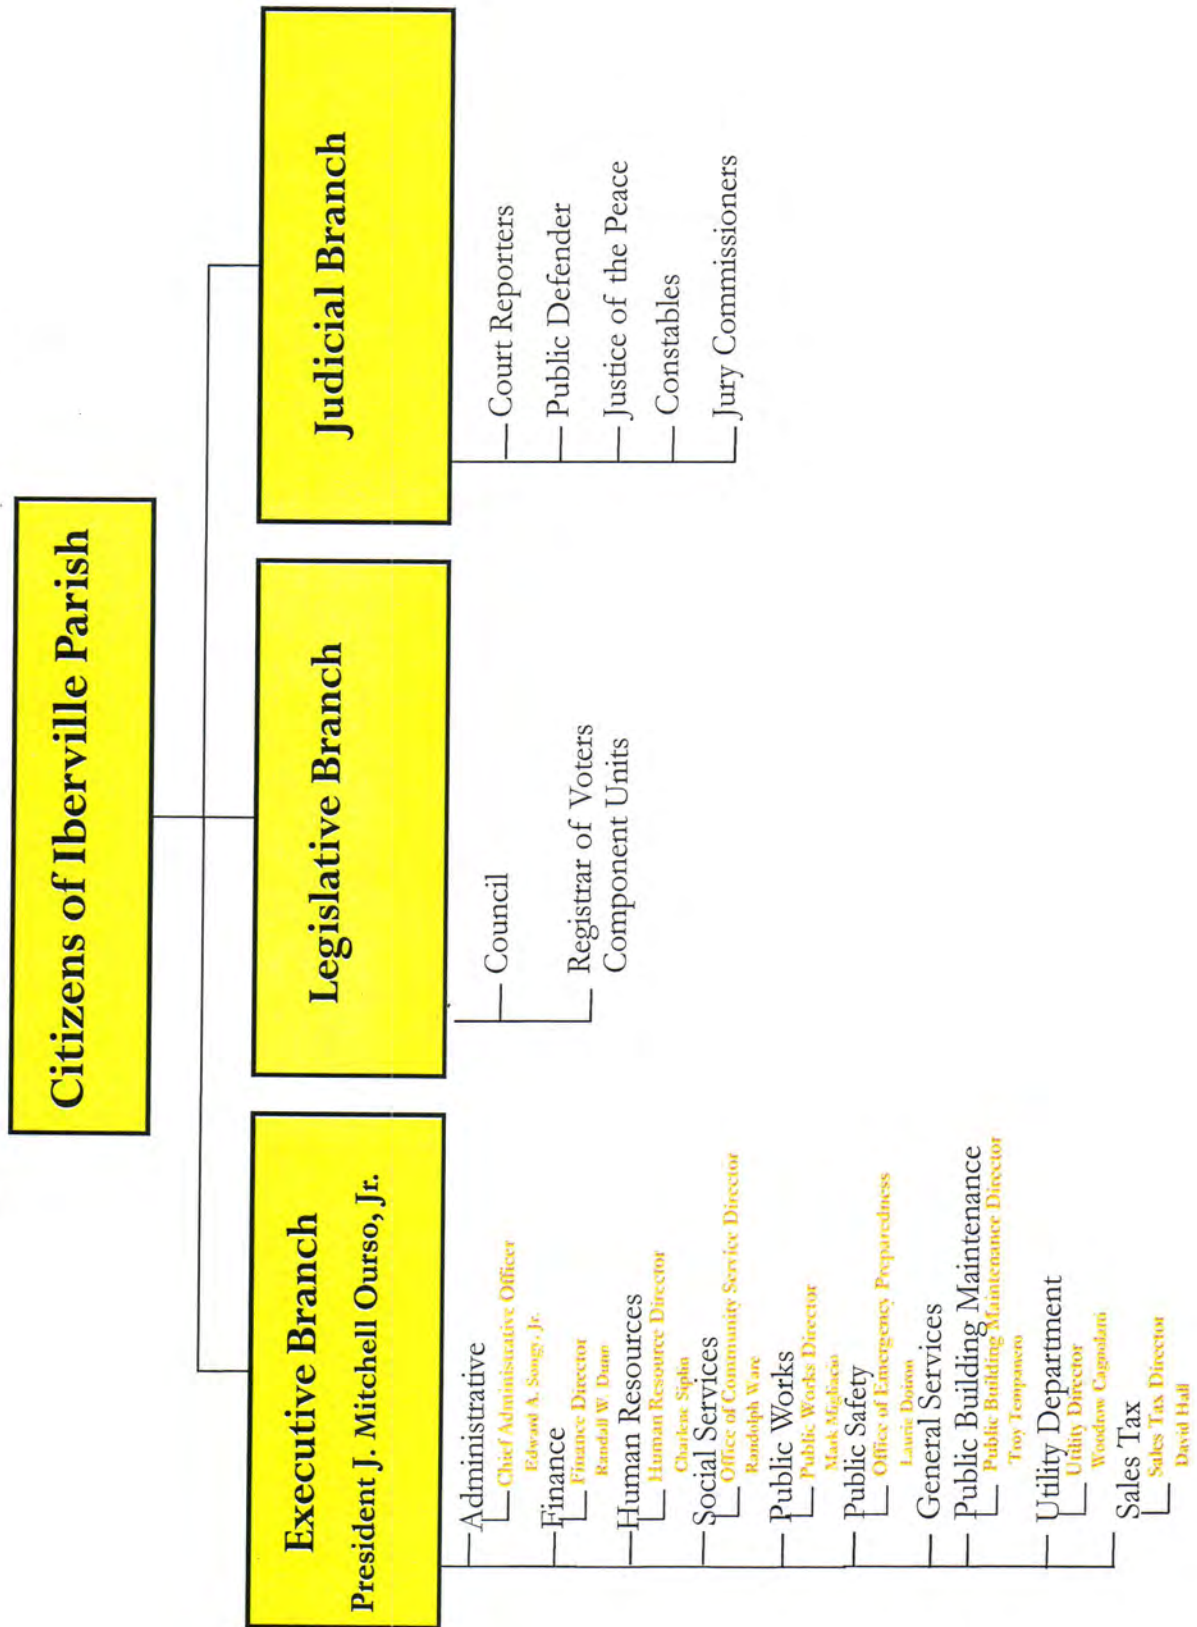

---

### **Budget Amendments**

- Legal requirements applicable to budget amendments are set forth in the Home Rule Charter (Section 5-04). The Home Rule Charter states the modifications can be made by the following:
- Supplemental appropriations which come available during the year. The council must issue a budget ordinance to supplement the budget.
- An Emergency appropriation which meets a public emergency affecting life, health property or public peace. The council may approve an emergency ordinance to address these needs.
- Reduction of appropriation can be made by report of the parish president to the council that funds available will be insufficient to meet the amount appropriated.

The appropriated budget is prepared by fund, function, and department. The Parish President may transfer part or all of any unencumbered appropriations within programs (funds), except that no transfer shall be made to or from the salary accounts unless approved by the Council by ordinance. Transfers of appropriations between programs require the approval of the governing council. The legal levels of budgetary control are the “salaries and benefits” and “other program expenditures” program levels.

2015 Budget

---

In order to more accurately follow past staffing and human resource allocation decisions by program, three-year history of full-time equivalents by department is presented on page 17. A full-time equivalent (FTE) position is a full-time position plus a part-time position converted to the decimal equivalent of a full-time position based on 2,080 hours per year.

Within each department, positions may be budgeted from a variety of funding sources. In general, the General Fund and Special Revenue Funds cover the bulk of the personnel services, with monies from the Enterprise Funds covering the rest.

Parish-wide staffing from FY 2014 to FY 2015 will decrease by 14.75 FTE's. There were no significant changes in staffing levels.

Salaries and benefits represent the largest single category of expenditures in the operating budget for Iberville Parish. The parish is committed to providing quality services to its citizens.

Salaries and benefits are recognized for all full-time and part-time positions. Iberville Parish has 10 fire departments, of which the Parish Council governs 6 departments. The 6 departments operate on strictly a volunteer basis. Therefore, those volunteers do not receive salaries nor benefits from the Parish.

The component parts of salary and benefit categories are as follows:

**Salaries**

The salary account includes regular salaries for full-time and part-time employees, overtime salaries for payment at time and one-half for hours worked in excess of forty (40) hours per week. Regular salary rates are based on 2,080 annual hours for all full-time employees, except for elected officials and exempt employees who are paid a set annual salary.

**Benefits**

Iberville Parish offers a benefits package to the employees. This package is a combination of benefits offered to all regular full-time employees, optional benefits either paid in full or in part by the parish, or benefits paid entirely by the employee.

**Health Care**

A comprehensive health benefits plan is available to permanent full-time employees, retirees, and their dependants.

Health Insurance: Iberville Parish Council provides health insurance for all eligible full time employees. The Parish pays \$663 of the premium on the plan. Dependent health insurance is available and premiums are the responsibility of the employee.

**Retirement**

Iberville Parish employees pay 9.5% of their salary towards retirement; while the Parish pays 16.75% of the employee's salary towards retirement.

2015 Operating and Capital Budgets

**OVERVIEW**

---

The **General Fund** is the general operating fund for the parish and provides funding for many departments. This fund is used to account for the following departments:

- The *Department of Administration* receives General Fund money to run the Parish President's office on a day to day basis. The main goal of this office is to assist the residents of Iberville Parish.
- The *Finance Department* is funded with General Fund money to conduct all financial activities of the parish. The primary responsibility of this department is financial management for all deposits and disbursements and the development and administration of the annual budget. Some of the other duties include the Comprehensive Annual Financial Report (CAFR), accounts payable, accounts receivables, purchasing, and fixed assets.
- The *Human Resource Department* is primarily responsible for all personnel matters related to current, future, and past employees.
- The *Department of General Services* wears a variety of hats in this parish. Some of the sub-units of this department are funded with General Fund money and others are funded partially through transfers to Special Revenue Funds. Those sub-units that fall under this department and funded with General Fund money are as follows:
  - ❖ The *Animal Control Office* actively seeks to educate all residents about the "leash law" and the importance of vaccinations. The staff also responds to calls related to snakes, livestock, beaver coyote and fox control. The animal shelter provides many animals for adoption. Their goal is to control the over-population of nuisance and unwanted animals for the citizens of Iberville Parish and to insure the quality of life for all. The officers also investigate nuisance animal calls, dog bites and cruelty to animal cases.
  - ❖ The *Building Inspector's Office* issues licenses and permits for all building structures within the Parish's jurisdiction. The Building Inspector performs routine construction inspections of residential and commercial projects to insure compliance with specifications, ordinances, and regulations of the parish, state and federal government.
  - ❖ The *Safety Department* assesses risk for the Parish through routine monitoring of departmental operations, researching accidents to find out the cause, resolving complaints of local residents with regard to property and automobiles, and imposing rules and regulations to help reduce risk and injury to the employees and residents of the Parish.

- ❖ The *Health Unit* provides medical assistance to all residents of Iberville Parish. The staff conducts numerous seminars on various issues related to medical cases, nutrition and disease prevention.
- ❖ The *Multi-purpose Center* is used to develop and practice agrarian arts. This arena services as a place for livestock shows, garden shows, farmers markets, rodeos, and nature expositions.
- ❖ The *Information Technology (IT) Department* is dedicated to improving Parish operations by providing effective and efficient automation, information, communication, and support services.
- ❖ The general fund is responsible for the partial funding of the *Parish Jail and Inmates*. The jail is a parish own building; however, the maintenance of the building is accounted for in the Public Building Maintenance (special revenue) Fund. The general fund is used to account for the day to day operations of the parish jail and its inmates.
- ❖ The *Council on Aging* department is responsible for the Activity Coordination and Exercise classes at the Iberville Council on Aging Center in Plaquemine.

*The Health and Welfare*

- The General Fund provides resources for all Legislative Branches of government. The Parish Council is a channel between the parish government and the citizens. The council holds legislative authority within the parish. The council members are elected by the people of each district. Those elections are the sole responsibility of the *Registrar of Voters Office*. This office maintains all voter information and official election documents.
- Some funding is provided to the Judicial Branches of government; however, these departments are not governed by the Parish Council. The parish has agreed to supplement the operating expenditures of those departments. Such departments include *Court Reporters, Public Defender, Justice of Peace, Constables, Jury Commissions, and Clerk of Court*.
- The Office of Community Services (OCS) manages the local funding of federal programs made available to qualifying low income persons in various areas of the parish. Many residents seek assistance for food, utilities, education, and housing assistance. All federal revenues are fully disbursed. Federal programs are amended when additional funding is received.
- Operating grants are provided to several organizations because they provide services to the citizens of this parish. The following organizations are not governed by the Parish Council and include: *District Attorney Expense Fund, Plaquemine City Court and City Marshall, Battered*

*Woman's Program, Court Appointed Special Advocates, Economic Development, Planning and Zoning,  
Parish Farm Agent, Council on Aging, Veteran's Affair, and Capital Area Legal Services.*

The General Fund provides salary and benefit funding to the following departments: the *Sales Tax Department*, the *Utility Department*, and *Water District #3*. This funding is reimbursed monthly to the parish. The Parish Council is responsible for the leadership and administration of these departments. However, since they are Enterprise Funds, these departments are self-sustaining and the Parish has no moral obligation to fund operations at this time.

The General Fund makes transfers to some Special Revenues Funds for the departments that are not able to solely fund themselves. These transfers help continue the daily operations of the departments, so that the residents can continue to reap the benefits of such programs.

The **General Insurance Fund** accounts for all losses to public property, public liability, and worker's compensation claims. Funding is received from all departments with the parish. This fund is budgeted for within the General Fund.

**BUDGET HIGHLIGHTS**

---

During 2015 Iberville Parish will continue to provide good government to the people of Iberville at a reasonable cost. Within the definition of good government is the promotion of education and parish infrastructure to develop the capabilities of its people.

The Animal Control Department will continue to control the over-population of nuisance and unwanted animals for the citizens of Iberville Parish and to insure the quality of life for all. This department will work diligently to help improve some of the drainage problems in Iberville through the trapping of beavers.

The Registrar of Voters will continue to actively encourage residents of Iberville Parish to exercise their right to vote. The election expense for 2015 is based on a possibility of four elections. The election dates are as follows: March 28 – Municipal Primary; May 2 – Municipal General; October 24 - Gubernatorial Primary; November 21 – Gubernatorial General.

The Safety Department will continue its extensive Parish employee safety training program to ensure safe working conditions for all employees and citizens. This department will closely monitor all Parish departments and agencies to ensure the safety of the residents by offering safety training classes to employees, and continuing to monitor the roadways for safe driving conditions.

The Mosquito Abatement program provides the application of mosquito insecticide and larvaecide throughout the parish. The parish uses four mosquito spray trucks and several foggers for application.

*General Sales and Use Tax*

Generally, any major increases or decreases in the Sales and Use Tax receipts are due to industry construction or expansion or lack thereof. We anticipate Sales Taxes to increase in 2015. We have budgeted an increase of Sales and Use Tax revenue for 2014.

Grant for operations to the Office of Veteran's Affairs.

**Economic Development:**

*Economic Development Grant*

This is the contract with the Chamber of Commerce for economic development, including specific goals and objectives, or service measures and accomplishments. We have budgeted \$147,500 for 2015.

**Transfers from the General Fund**

Transfers to other funds have been greatly reduced because of a GASB regulation requiring those transfers to show in the revenue section of each individual fund. A fund cannot exist on a majority of transfers alone. Transfers-Out were reduced and Sales Tax revenues were reduced in the General fund resulting in an increase in Sales Tax revenue in each individual fund that benefited from a General Fund transfer.

# SPECIAL REVENUE FUNDS

**Overview of Fund Structure – Special Revenue Funds**  
2015 Operating and Capital Budgets

---

**OVERVIEW**

---

Special Revenue Funds account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted for a specified purpose. Iberville Parish has a total of 24 special revenue funds for the 2015 budget year. The functions of these funds are general government, public safety, public works, health and welfare, and culture and recreation. The Special Revenue Funds are as follows:

**GENERAL GOVERNMENT**

- The *Criminal Court Fund* accounts for fines and forfeitures of the district court of the Eighteenth Judicial District, but only for that portion from Iberville Parish. Activities of the parishes of West Baton Rouge and Pointe Coupee are included in their respective reports. Expenditures are made from the fund on the motion of the District Attorney and approval of the District Judges.
- The *Public Building Maintenance Fund* provides funds to maintain all public buildings owned by the Parish. Such buildings include, but are not limited too, the parish courthouse, the parish jail, the health unit, the multipurpose center, the maintenance barn, and the animal control shelter. These funds come from ad valorem taxes and sales taxes.
- The *Louisiana Community Development Block Grant (LCDBG)* program is offered through the State of Louisiana to provide funds to help strengthen community development, revitalization, and private investment, which will benefit at least 51% low and moderate income persons and will help eliminate or prevent slums and blight.

**PUBLIC SAFETY**

- *Coroner's Office Fund* is used to provide financial assistance to the Coroner's Office. The Parish Coroner's Office determines the manner and cause of death for all cases within Iberville Parish, issues death certificates, orders appropriate autopsies, and evaluates the mentally ill and chemically dependent patients.
- Iberville Parish has ten (10) fire service areas, of which the Parish Council helps manage six (6) departments. The Parish is only involved at the fiscal management level by helping assist the fire departments in making sound financial decisions. Of the six (6) departments the Parish manages, four (4) departments strictly operate on a volunteer basis and the other two (2) departments have some personnel that are paid by the municipality in which they are located. Each fire department must go through continuous training, planning, and public education in order to protect life, reduce injury, and conserve property. The six (6) departments the Parish manages fiscal controls are:
  - ❖ The *Bayou Pigeon Fire Department Fund* accounts for the operation of the volunteer fire department in the Bayou Pigeon area. Financing is provided by a state two percent

fire insurance rebate program, a transfer from the General Fund for their pro-rata share of the sales tax revenue, and interest earnings.

  - ❖ The *East Iberville Fire District No. 1 Fund* accounts for the operations of the fire department in the eastern portion of the parish. Major financing is provided by ad valorem taxes and a transfer from the General Fund for their pro-rata share of the sales tax revenue.
  - ❖ The *White Castle Fire Department Fund* accounts for the operation of the fire department in the White Castle area. Financing is provided by a transfer from the General Fund for their pro-rata share of the sales tax revenue and a state two per cent fire insurance rebate program.
  - ❖ The *Bayou Blue Fire District No. 2 Fund* accounts for the operations of the volunteer fire department in portions of former Ward 7 of the parish. Major financing is provided by ad valorem taxes, a transfer from the General Fund for their pro-rata share of the sales tax revenue, and a state two per cent fire insurance rebate program.
- In times of emergencies the mission of the Iberville Parish Council Office of Emergency Preparedness is: to plan and prepare practical response programs for the protection of life and property in the event of disasters; to direct, mobilize, and coordinate utilization of local resources; to support political subdivision in conducting of emergency and disaster operations to save lives; to protect property, relieve human suffering, sustain survivors, and repair essential facilities; and to coordinate and direct restoration and recovery operations in the disaster areas.

## **BUDGET HIGHLIGHTS**

---

### **GENERAL GOVERNMENT**

#### *Public Building Maintenance*

The Public Building Maintenance Fund is responsible for the maintenance of all parish owned buildings. The Public Building Maintenance Fund is supported through property tax collections that have remained stagnant over the last two years because of a failure to roll property taxes forward. This fund collects 1.1 million dollars per year in property taxes with 1.9 million dollars per year in expenses. In 2006, the citizens of Iberville Parish approved a 1% sales tax of which a portion is now used to fund this enormous shortfall.

### **PUBLIC SAFETY**

#### *Fire Departments*

The State of Louisiana requires all Fire Departments to obtain a fire rating from the Property Insurance Association of Louisiana (PIAL). Fire ratings are normally performed every 5 years. If a department expands, acquires new equipment, or if the rating falls two or more grades during the last testing, then the department may be tested more often. We strive to budget and work with each fire department to improve weaknesses. Our goal is to continue lowering fire ratings so that all of Iberville Parish can reap the benefits.

During 2015 some departments will be undergoing evaluations, hoping to improve the current fire rating for that department. These departments may undergo additional training or

purchase new equipment in order to help improve the rating. We continue to look for new ways to improve the fire ratings for all areas of Iberville. The Iberville Parish Council encourages all fire departments to undergo ratings periodically.

*Office of Emergency Preparedness*

The Office of Emergency Preparedness (OEP) receives grants for communication equipment, personal protective equipment, and hazardous materials training. The Office of Emergency Preparedness has received grants from the Office of Domestic Preparedness State Homeland Security Program and UASI.

**PUBLIC WORKS**

*Department of Public Works*

For this coming budget year, the Iberville Parish Department of Public Works will continue to maintain and improve the Parish roads, bridges, and drainage facilities. We will not issue any additional debt for public work improvements during 2015.

**Overview of Fund Structure – Debt Service**  
2015 Operating and Capital Budgets

---

**OVERVIEW**

---

Debt Service Funds are established to account for resources restricted to a specific purpose: the payment of principal and interest on general long-term debt.

➤ Iberville Parish currently has three debt service funds:

1. *Sales Tax Bond Debt Service Fund.* This fund is used to service all debt, principal and interest, associated with the 2007 issuance of \$12,000,000 in Revenue Bonds and the 2009 issuance \$8,970,000 in Revenue Bonds.
2. *Sales Tax Bond Reserve Fund.* This fund is used to hold equivalent of one year's debt service, principal and interest. This reserve was not required for the 2007 issuance because bond insurance was purchased. This fund is required for the 2009 bond issuance because that issuance is not insured.

---

**OVERVIEW**

---

Capital Project Funds account for the financial resources to be used for the acquisition, construction, and improvement of major capital facilities not reported in other governmental funds. For the budget year 2015, the Parish will maintain nine (5) capital project funds. Those funds are:

- The *Capital Improvement Fund* accounts for small capital outlay projects that are funded solely through the use of Parish resources.
- The *Road Construction Capital Improvement Fund* will account for all road capital outlay. It is funded through revenue bonds and operating transfers from the parish transportation fund and capital improvement fund.
- *Iberville Parish Medical Facility – CDBG* accounts for all funds distributed by the Federal Government by the U.S. Department of Housing and Urban Development pass through the State of Louisiana for the construction of a Medical Center in Plaquemine. This project is directly related to the recovery from Hurricane Gustav.
- The *Industrial Park Fund* is a capital outlay fund that carries a fund balance that exists of sale of property. These funds are expected to be utilized on infrastructure enhancements as new tenants become available.
- The *North Iberville Community Center Fund* is a capital outlay fund created to account for state funds distributed to the parish through LA House Bill 2 to construct a state of the art community center in North Iberville. Construction started in 2011 and was completed in 2013.

**Overview of Fund Structure – Enterprise Funds**  
2015 Operating and Capital Budgets

---

**OVERVIEW**

---

Enterprise funds account for activities that are operated in a manner similar to private business enterprises and in which our intent is to recover costs primarily through user charges. The parish uses Enterprise Funds to provide services to the public at large. The departments which fall under this fund type are:

- The *Iberville Parish Sales/Use Tax Department* is designated by the Iberville Parish Council for the purpose of administration, enforcement, and collection of taxes as imposed by the various agencies of the Parish of Iberville and Louisiana Revised Statutes. The cost of administration, enforcement, and collection of the taxes imposed is referred to as the Cost of Collection and shall be withheld from the funds collected prior to the distribution of funds to the taxing authorities.
- The *Iberville Parish Utility Department* provides sewer, natural gas, and water to various areas in Iberville Parish except those areas serviced by the local municipalities. The Utility Department also manages Water District #3 in the South Iberville Area and the Highway 1148 water system. The Utility Department is self supported by the sale of natural gas and water.
