Vision & Goals Introduction

The information gathered from the visioning sessions, Iberville Parish Strategic Plan and interviews with Iberville Citizens was used to create the master plan's *Vision and Goals*. The *Vision* is the overriding theme which defines the community's dream for the future of the parish. The *Goals* take the *Vision* and break it into individual elements which need to be addressed in order to attain the "dream." Each goal is analyzed with regard to:

- The **Community's Perception** of existing conditions
- A **Reality Response** of that perception
- An **Opportunity Response** which seeks to list a set of measurable *objectives*

Each *objective* separates the goals into smaller tasks, when jointly accomplished, will achieve the desired goal. Furthermore, as represented at all the community meetings, the *Vision, Goals, and Objectives* of the master plan will take advantage of the continued efforts by the Louisiana Economic Development Council (LEDC) by integrating master plan objectives with Vision 2020. This prerogative will help to insure that the efforts made in Iberville will coincide with, and be amplified by, the wider efforts by state officials. The development of the objectives for each master plan goal will reflect consideration of the three principal areas of emphasis outlined in the Vision 2020 graphic:

FUNCTIONS OF PARISH GOVERNMENT

Citizens of Iberville Parish

General government is charged with expenditures for the legislative and judicial branches of government. It also is charged with expenditures made by the chief executive office and other top-level auxiliary and staff agencies in the administrative branch of the government. The accounts are subdivided into three groups: legislative, executive and judicial.

- *Legislative* is charged with expenditures of governing body in the performance of its primary duties and subsidiary activities. A decision whether a given item should be charged to a legislative account is based on whether the item is a direct or an indirect cost. Direct costs are charged to legislative accounts. Indirect costs are charged to another account, usually a staff agency account.
- *Judicial* includes accounts for recording expenditures for judicial activities of the government.
- *Executive* includes accounts for recording expenditures of general executive officers and boards of the government.

Public Safety, a major function of government, has as its objective the protection of persons and property. The major sub-functions under public safety are police protection, fire protection, protective inspection, and correction.

Public Works is all fixed works, such as roadways, canals, bridges, and utilities, constructed for public use, which is owned and maintained by the government.

Health and Welfare includes activities involved in the conservation and improvement of public health, and activities designed to provide public assistance and institutional care for individuals economically unable to provide essential needs for their selves.

Culture and Recreation includes all activities maintained for the benefit of residents and visitors.

Economic Development is the development of economic wealth of the Parish for the well-being of its citizens.

Honorable Matthew H. Jewell, Council Chairman,
Members of the Iberville Parish Council
Citizens of Iberville Parish
Plaquemine, Louisiana

Dear Council Chairman, Members and Citizens:

I respectfully submit for your review and consideration budgets for our General and Special Revenue funds, and Capital Improvement funds for Iberville Parish for fiscal year 2017.

The economy of Iberville Parish has experienced continued growth during 2016. We have experienced increases in sales/use tax and a slight decrease in property taxes growth during 2016 due to taxpayer audit settlements and a slight decrease in taxable values on the parish property tax rolls. We expect taxes to remain elevated during 2017 and 2018.

Economic Outlook and Revenue Forecast

Sales\Use Tax projections, our major revenue source, are primarily based on construction and maintenance activity from our petro-chemical industry. Both active and proposed plant expansions continue to affect our revenue forecast methodology, as well as, the economic condition of Iberville Parish as a whole. We believe that Iberville will continue to see increased Sales\Use tax collections during 2017. Low natural gas prices have led to a decrease in the petrochemical industry production cost. The continued recovery of the national economy has driven petrochemical manufacturing demand higher. Conditions do look favorable for 2017 and 2018.

The Constitutional Amendment that was adopted on November 2, 2010 will provide for an increase in severance tax collections that can be used for the maintenance and construction of parish roadways. This will change the annual maximum amount remitted to Iberville Parish from \$850,000 to \$1,850,000 for the first year and \$2,850,000 in subsequent years. Iberville Parish is not in a position to reach the \$1,850,000 cap, nor will it be a position to reach the \$2,850,000 cap in year 2. Because of the language in the amendment, natural gas prices have to exceed year 2008 levels for the new limits to take effect. We estimate that Iberville will receive \$1,000,000 during 2017. Once Natural Gas prices return to the 2008 levels, we expect to see a significant increase in severance tax collections. There are no economic indicators that show the price of natural gas increasing anytime in the near future.

An Equal Opportunity Employer

Imagine Iberville!

The Iberville Parish Council voted to adopt the assessor's millage rates as presented. There was no significant increase in taxable property that warranted a roll-back of millages. The adjusted rates for the year are as follows:

Purpose	Adj. Rate	Max Rate Allow.
General Alimony	2.49	2.49
General Alimony within City Limits	1.24	1.24
Iberville Parks and Recreation	3.00	3.00
Public Building Maintenance	3.00	3.00
Parish-Wide Drainage	5.00	5.00
Library Maintenance	4.00	4.00
Fire District No. 2	6.78	6.78
Fire District No. 1	3.95	3.95

The Iberville Parish Assessor completed a property tax re-assessment and presented adjusted rates to the Parish Council in August of 2016. The next re-assessment will take place during 2020.

Comments on Operations

Solid Waste Program

Iberville Parish has renegotiated its contract with Progressive Waste Solutions of LA for a new four year term beginning January 12, 2016 ending January 14, 2020. The provisions of that contract provide for once per week automated residential pickup, once per week boom pickup. The new contract sets a rate of \$15.89/household for fully automated once per week residential and boom truck service. During 2016 Iberville Parish along with representatives from Progressive Waste performed a joint house count. That count raised the number of services residences from 11,888 to 13,265. The estimated annual contracted rate, with no CPI increase, is \$2,529,370. Iberville administration has proposed a balanced budget for 2017. Should the cost for the disposal of solid waste drastically increase due to regulatory requirements and/or CPI increases, Iberville maintains one year of operating fund balance within the Solid Waste Fund. This would give us ample time to come up with an alternate plan on cutting services and/or raising revenue.

Sales\Use Tax

Iberville Parish levies a 3% Sales\Use tax parish wide (2 2/3 within the municipal limits of St. Gabriel) that is collected for the following purposes:

1. 52.25 Percent of a 1% sales tax or .5225% for General Purposes which are budgetary earmarked for the following purposes:
 - a. Road Bond Debt Service
 - b. Public Building Maintenance
 - c. Emergency 911 Service
 - d. General Fund

2. 52.25 Percent of a 1% sales tax or .5225% for General Purposes which are budgetary earmarked for General Expenditure as well as:
 - a. Debt Service on DHH Water Revenue Bonds
3. 62.0439 percent of a 2/3% sales tax or .4135% for General Purposes and Fire Protection.
4. 100% percent of a 1/3% sales tax to be used strictly for Solid Waste Collection.

We have projected sales\use tax to increase from \$19,298,029 in 2015, to \$20,138,562 in 2017. The projected increase is due to continued healthy economic environment surrounding our Petro-Chemical industry. It is always the administrations intent to take a conservative approach when budgeting revenues and allocating expenditures based on those conservative estimates.

Schedule of Future sales/use tax percentages:

- 2017 – 3%
- 2018 – 3%
- 2019 – 3%
- 2020 – 3%
- 2021 – 3%

Property Tax

Iberville Parish levied an average of 9.978 mills parish-wide which is projected to generate \$6,285,000 for 2017, up from \$6,075,000 in 2016. Iberville Parish used its property taxes to fund General Government, Public Safety, Public Works, Economic Development, Health, Public Building Maintenance, Drainage Maintenance and Fire Protection. The biggest reason for this increase was because of the renewal of the Public Building Maintenance tax.

Schedule of 2016 property tax authorized millage rates:

Primary Government:

	<u>Authorized</u>	<u>2016 Levy</u>
General Alimony	2.49 mills	2.49 mills
General Alimony within Municipal limits	1.24 mills	1.24 mills
Parish-Wide Drainage	5.00 mills	5.00 mills
Public Building Maintenance	3.00 mills	3.00 mills

Component Units:	<u>Authorized</u>	<u>2016 Levy</u>
Parks and Recreation	3.00 mills	3.00 mills
Library	4.00 mills	4.00 mills

Schedule of additional 2016 property tax authorized within Fire Protection Districts:

	<u>Authorized</u>	<u>2016 Levy</u>
Fire District No. 1	3.95 mills	3.95 mills
Fire District No. 2	6.78 mills	6.78 mills

We expect to levy the same millage rates in 2017.

Major Revenue Sources

Ad Valorem (Property) Tax

Property taxes are classified as ad valorem. The words "ad valorem" are based on the Latin words of ad, meaning "according to" and valorem, meaning "value". Therefore, an ad valorem tax is a tax levy that is appropriated among taxpayers according to the value of each taxpayer's property. Property taxes are a means for local governmental bodies to pay for services they provide to taxpayers.

Sales/Use tax

Iberville imposes a sales tax on the retail sale of each item of tangible personal property. Tangible personal property is defined as personal property which may be seen, weighed, measured, felt or touched, or as any other manner perceptible to the senses. In addition to a sales tax, Louisiana poses a use tax on items purchased in other states, but brought into Louisiana for use, consumption, distribution, and storage for use in consumption.

Employee Benefits

Health Insurance

Health insurance premiums did not increase during 2016 nor will they increase during 2017. There were no changes in benefits, co-payments or deductibles. We still strive to maintain rates as low as possible and fund a substantial portion of the employees' health coverage. The premium cost share for 2017 is \$663 for the employer and the balance for the employee for single coverage currently is \$77.56/month or \$191.70/month depending on plan selection. Dependent and Family coverage plans also did not increase. Dependent coverage will remain the responsibility of the employee.

Retirement Contributions

The 2016 employer's contribution rate to the Parochial Employees' Retirement System (PERS) was certified at 13.00% by the system's Board of Trustees. The 2017 employer's required contribution rate to the system is 12.50%. This budget provides funding at this level. The employee contribution rate will remain at 9.50% in 2017.

Summary of All Funds

The proposed budget for the year 2017 including all funds, exclusive of transfers between funds is \$45,167,447. This represents a decrease of 35.42% from year 2016. The chart below depicts a comparison between the 2017 and 2016 budgets by fund type.

Appropriations – All Funds 2017 compared to 2016

	2017 Budget	2016 Budget	2017 Budget Over (Under) 2016 Budget

Excluding Transfers between funds \$45,167,447**

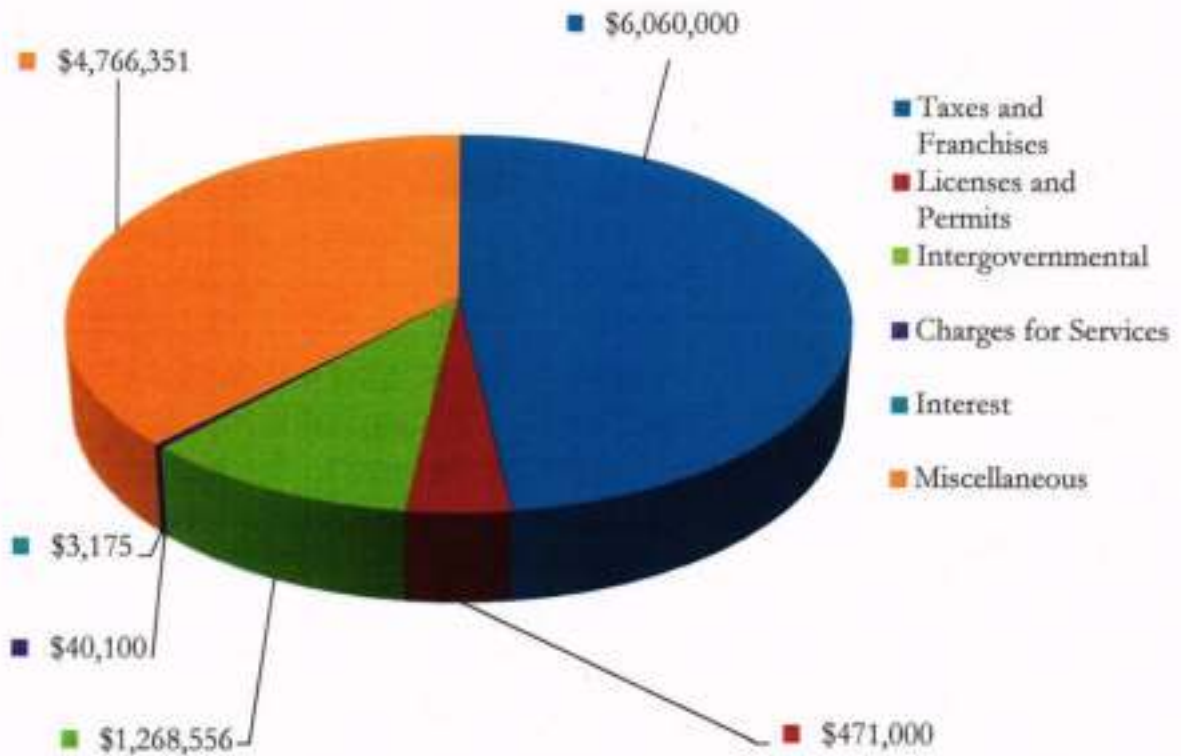

**Total 2017 Appropriations by Fund Type
Excluding Transfers between funds \$39,024,047**

General Fund

As shown above, the General Fund makes up 26.91% of our total budget for 2017. The general fund provides funding for general operations of the government and includes most revenue that is not legally dedicated for a specific purpose.

General Fund Sources of Revenue \$12,609,182

The General Fund has three major sources of revenue: Sales Tax collections, Property Tax Collections and Severance Tax Collections. These three sources account for over 48% of the General Fund Revenue. The underlying assumption for the estimates in Property Tax is that it increases by 2% to 6% per year if the Parish Council rolls the millages to the amount authorized by proposition.

The total appropriations for the General Fund 2017 Annual Operating Budget increased by \$431,570 compared to the 2016 Amended Budget.

Debt Management

Iberville Parish issued \$12,000,000 of Sales Tax Revenue Bonds in February of 2007 to construct and improve parish roads and to construct a new facility for elderly citizens. The bonds were rated A+ by Standard and Poor's then later the rating was upgraded to AAA once the bonds had been fully insured. All debt associated with this issuance will be serviced out of the Sales Tax Bond Debt Service Fund. As of October 27, 2016, \$585,000 of this debt remains outstanding

Iberville Parish issued an additional \$8,970,000 of Sales Tax Revenue Bonds in April of 2009 to construct and improve parish roads and to supplement the construction cost of rebuilding the parish maintenance barn facility from damage sustained following Hurricane Gustav. The bonds are rated A+ by Standard and Poor's. As of October 27, 2016, \$1,845,000 of this debt remains outstanding.

Iberville Parish refunded portions of both the 2007 and 2009 road improvement bonds in the amount of \$10,410,000. These bonds will become due beginning in 2018 after the non-callable portions of the prior bonds are fully serviced. The bond interest ranges from .82% to 2.25% due semiannually through February 1, 2027. As of October 27, 2016, \$10,410,000 of this debt remains outstanding.

Iberville Parish issued an additional \$8,000,000 in Water Revenue Bonds on October 1, 2015. These bonds were issued to construct a twelve inch water line to connect Water District 3 plant to the South Side of the Water District at Point Pleasant. This debt is retired through the DHH debt service fund. As of October 27, 2016, \$4,358,469 of this debt remains outstanding.

On October 20, 2016 Iberville Parish has \$17,694,998 in primary government debt. \$12,840,000 of this debt was due to sales tax revenue bonds, \$61,529 in capital lease financing and \$435,000 was due to limited tax certificates of indebtedness.

Non recurring capital expenditures will not affect the operating budget of the government funds or any of its component units. Those capital Expenditures are depreciated based on classification and that depreciation is added to the government-wide financial statement.

Fund Balances

Our major accomplishment for 2017 is a near balanced budget across all funds without significantly dipping into reserves. We are projected to slight decrease fund balance (not considering any debt issued) in total for 2017 by (\$604,751). The Iberville Parish Solid Waste Fund will maintain a balanced budget from both amended 2016 and 2017 budget years. We continue to monitor the Solid Waste Fund closely because of the fluctuations in sales taxes coupled with fixed cost of the collection contract. The 2017 budget also includes a balanced General Fund Budget. Because of a decrease in property values during 2016, property taxes were lower than originally projected. This relieves the pressure on the Public Building Maintenance fund which in turn puts more Sales Taxes in the General Fund. There are no material increases or decreases in Fund Balances for any of our government funds for 2017.

Relevant Financial Policies

The Iberville Parish government strives to adhere to both its short term and long term financial policies. Long term financial policies are driven by the conservative approach to financial management implemented by the finance department on a daily basis. Long term financial plans and policies have been developed to ensure that our citizens are guaranteed a high level of service with the least amount of cost. Iberville has implemented two main policies to ensure financial stability. These two policies are as follows:

- a. Iberville Parish will not allow salaries and benefits to become greater than 30% of its total budget. This enables Iberville to continue to offer the services that the parish needs the most by committing a large portion of our budget each year to capital outlay projects.
- b. Iberville Parish limits bonded debt to 50% outstanding principal balance in relation to the source of revenue for which the debt service is attached. This allows Iberville to secure an excellent bond rating and continue to use the remainder of the tax to maintain the purpose of the original bond offering.

Significant Budgetary Items and Trends

Budgeted Revenue Trend Analysis

As discussed in the previous paragraphs, Iberville Parish is predominately dependent on Sales and Property tax revenue to provide services to its citizens. The Finance Department projects Sales Tax revenues to increase slightly from 2016 and 2017. The Use portion of our sales tax collections is heavily dependent on industrial plant maintenance and expansion. Property taxes tend to remain more constant, due to the increased property values from year to year.

Sales taxes are cyclical in nature. Based on historical data, in normal economic times, they rise and fall in 3 to 4 year increments. The cycle continued its upward trend through 2016. We feel as if we will reach the peak of this cycle in 2018, with taxes beginning to fall in 2019 and 2020. Revenue trends are addressed in further detail in the comments section on each fund type and the statistical information section.

Budgeted Expenditure Trend Analysis

Operating budgeted expenditures have increased. The amended 2016 operating budget expenditure total is \$43,201,798 and the 2017 operating budget expenditure total is \$29,197,297 for a net decrease of \$14,003,501.

Capital budgeted expenditures have increased from a 2016 amended budget amount of \$11,745,560 to a 2016 budgeted amount of \$9,825,750. This is a 19.53% increase from the 2016 original budget amount of \$1,919,810.

Priorities and Issues for the 2017 Budget Year

Iberville Parish is projecting an increase in Sales\Use Tax collections for 2016 and 2017. Because of strengthening fund balances over the last 3 years Iberville is expected to continue to operate at current service levels until those taxes rebound.

Iberville Parish has signed a contract with Ochsner to serve as the operator of the Iberville Medical Facility. The only Emergency Medical Facility in Iberville Parish was heavily damaged by the hurricane and subsequently closed. It is our main goal to work with Ochsner to make this facility successful.

The Louisiana Recovery Authority has also approved other projects for Iberville Parish, including but not limited to water tower construction, drainage projects, building renovations, sewer projects and housing rehabilitation.

Capital Projects for 2017

Iberville Parish will expend \$9,825,750 for capital outlay projects for 2017. Some of the major projects that are included in the 2017 budget are as follows:

1. Iberville parish has budgeted \$875,000 to complete significant improvements to Water District #3. These improvements include a 12 inch main extension and the raising of two towers. These projects will increase water pressure and quality.
2. We have also budgeted \$1,200,000 for the design and construction of a Senior Center in North Iberville.
3. Iberville has budgeted \$2,500,000 for HVAC replacement at the Courthouse.
4. Iberville has also budgeted \$1,500,000 for the maintenance of roads throughout the parish.

The addition of capital outlay as assets on the balance sheet does affect operating costs in some cases. Each case varies and its operating cost is examined to make sure it meets the constraints of its associate operating budget.

Strategic Goals and Strategies

Iberville Parish continues to strive toward achieving the goals laid out by the Iberville Master Plan. The North Iberville Parish Welcome Center continues to act as an active conduit for tourism into Iberville Parish. In addition to tourism, Iberville continues to maintain and operate aqua-cultural recreational boat launches to access the crown jewel of Iberville parish, the Atchafalaya Basin. Through increased sales/use tax collections Iberville has continued to provide for well-maintained roadway system and infrastructure. These are all in compliance with the Iberville Parish Master Plan. Citizens of the Parish are kept apprised of our progress through a parish-wide quarterly newsletter that is received through mail by each home.

Distinguished Budget Presentation

The Finance Department received the "Distinguished Budget Presentation Award" from the Government Finance Officer's Association of the United States and Canada for the *2016 Annual Operating Budget*. This award is the highest professional recognition in governmental budgeting. To receive this award, a government must publish a budget document that meets program criteria as a policy document, an operations guide, a financial plan and a communications device. This is the eleventh consecutive year that the department has received this award. I commend the Finance Department for repeatedly demonstrating their commitment to excellent financial disclosure.

This budget sets forth the priorities of the administration. I thank the Iberville Parish Council and all employees who work tirelessly in their service to the citizens of Iberville Parish. With full cooperation from the Iberville Parish Council, Iberville Parish will continue to move forward, and to improve the quality of life for our residents.

Sincerely,

Jessel M. Ourso, Jr.
Parish President

PARISH STRUCTURE

In 1997 a new form of government was established for the Parish which was written by a committee and voted on by registered voters – an elected Council with legislative authority and a parish-wide elected President who serves as the executive authority and is responsible for the administration of Parish government. Since the implementation of the Home Rule Charter, Parish residents have enjoyed increased services, improvements, and more efficient use of its resources. The Home Rule Charter provides the people of Iberville Parish:

- More access to government
- A balanced budget
- Full time Parish President elected by the voters of Iberville Parish
- A thirteen member Council elected in single member districts

BUDGET PROCESS

Operating Budget

The fiscal year of the Parish Government is January 1 through December 31. During the budget process, we strive to determine the best allocation of limited estimated revenues. A budget calendar is developed to provide an overall view of the budget process which can help to ensure that all aspects have been considered and that adequate time has been devoted to meet deadlines. The budget calendar for the development of the 2017 Annual Operating Budget was as follows:

July 26, 2016	Letters were sent from the Parish President's Office to supervisors, directors, and coordinators seeking their departmental budget request
August 19, 2016	Deadline for submitting budget requests
September 28, 2016	Compilation of proposed budget sent to Parish President for review
October 18, 2016	Proposed budget submitted to Parish Council
November 15, 2016	Parish Council approval of proposed budget
January 1, 2017	Operating Budget effective

Budget request packets were sent to the departments and agencies in July 2016. Each department was asked to review prior year spending and provide a forecast of what anticipated future spending would be. They were also asked to schedule a meeting with the finance director to discuss the departmental plans for the next year.

In the months to follow, several budget discussions took place between finance personnel and administration in order to put together a proposed budget. According to the Home Rule Charter, the President shall submit to the Council a proposed operating budget at least sixty (60) days prior to the beginning of the fiscal period. At the Council meeting at which the operating budget is

submitted, the Council ordered a public hearing to discuss the budget submitted. The final budget shall be finally adopted no later than thirty (30) days prior to the end of the fiscal year.

Capital Projects Budget

The Annual Operating Budget includes a section for Capital Improvement Programs. The Capital Project Budget is submitted and adopted at the same time as the Operating Budget. This section provides a summary of major capital improvements that are either continuing into or beginning in the new budget year. Major capital improvements are subject to separate budgetary processes which often involve federal or state grants; therefore, detailed budgets are generally adopted or amended individually.

BUDGETARY STRUCTURE

The Annual Operating Budget for the Parish of Iberville includes Governmental and Proprietary funds which are budgeted and accounted for separately. All governmental funds are modified accrual. Proprietary Funds are full accrual.

Governmental funds are used to account for the following:

The General Fund is the general operating fund for the parish. This fund is used to account for all financial resources, except those required to be accounted for in another fund.

Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to expenditure for specified purpose.

GASB statement 34 requires that funds be classified as major or non-major. Governmental Funds designated as major funds are the General Fund, Drainage Maintenance Fund, Public Building Maintenance Fund, Sales Tax Roads Fund, Solid Waste Fund, Head Start Fund, and the Capital Improvement Fund. All other funds are designated as non-major.

FINANCIAL POLICIES

The Financial Policies were included in the Home Rule Charter which was adopted on January 18, 1997 and effective on October 31, 1997.

Basis of Budgeting

Except for the enterprise fund, the Parish Council budget is prepared on a modified accrual basis of accounting using a current financial resources measurement focus. Revenues are recognized to the extent that they are measurable and available. Available means that the revenues will be collected within 60 days of the end of the calendar year. Expenditures are recognized when measurable, generally when the liability is incurred, and will be liquidated with current resources. The enterprise fund is prepared on full accrual basis of accounting.

The Iberville Parish Annual Budget is adopted on a basis consistent with Generally Accepted Accounting Principles for all governmental funds except all capital project funds. All capital project funds adopt project-length budgets.

Budgetary Accounting

The Finance Department maintains budgetary control at the department or project level. Budget amendments within each department or project may be made with the approval of the department head, administration, and finance director. Supplement budget appropriations on a department level may be processed with the approval of the Parish President and the Parish Council. Unexpended appropriation lapse at year-end, except those for capital projects, which remain open until the projects are completed.

Use of One-Time Revenues

The Parish will limit the use of one-time revenues which cannot be relied on in future budget periods to non-recurring expenditures. One-time revenues are mainly from non-recurring grants, but can come from other areas. The majority of one-time revenues are for the fire departments and the Office of Emergency Preparedness; however, a few other departments, such as mosquito abatement and animal control, have received this type of funding as well.

Debt Issuance

The Parish will adhere to all legal or statutory limitations on debt level and capacity. Prior to the issuance of debt, an extensive evaluation of debt capacity will be conducted based on current financial capacity, projected future capacity, statutory and constitutional limitations, and bond covenants.

Expenditure Policies

The Parish will maintain a level of expenditures that will provide for the well-being and safety of the residents of the community. All expenditures made shall be for a public purpose, and no expenditures will be made which are prohibited by administrative directives, local ordinances, or

federal and state statutes. The Parish will comply with the Public Bid Law in the procurement of goods and services.

Balancing the Operating Budget

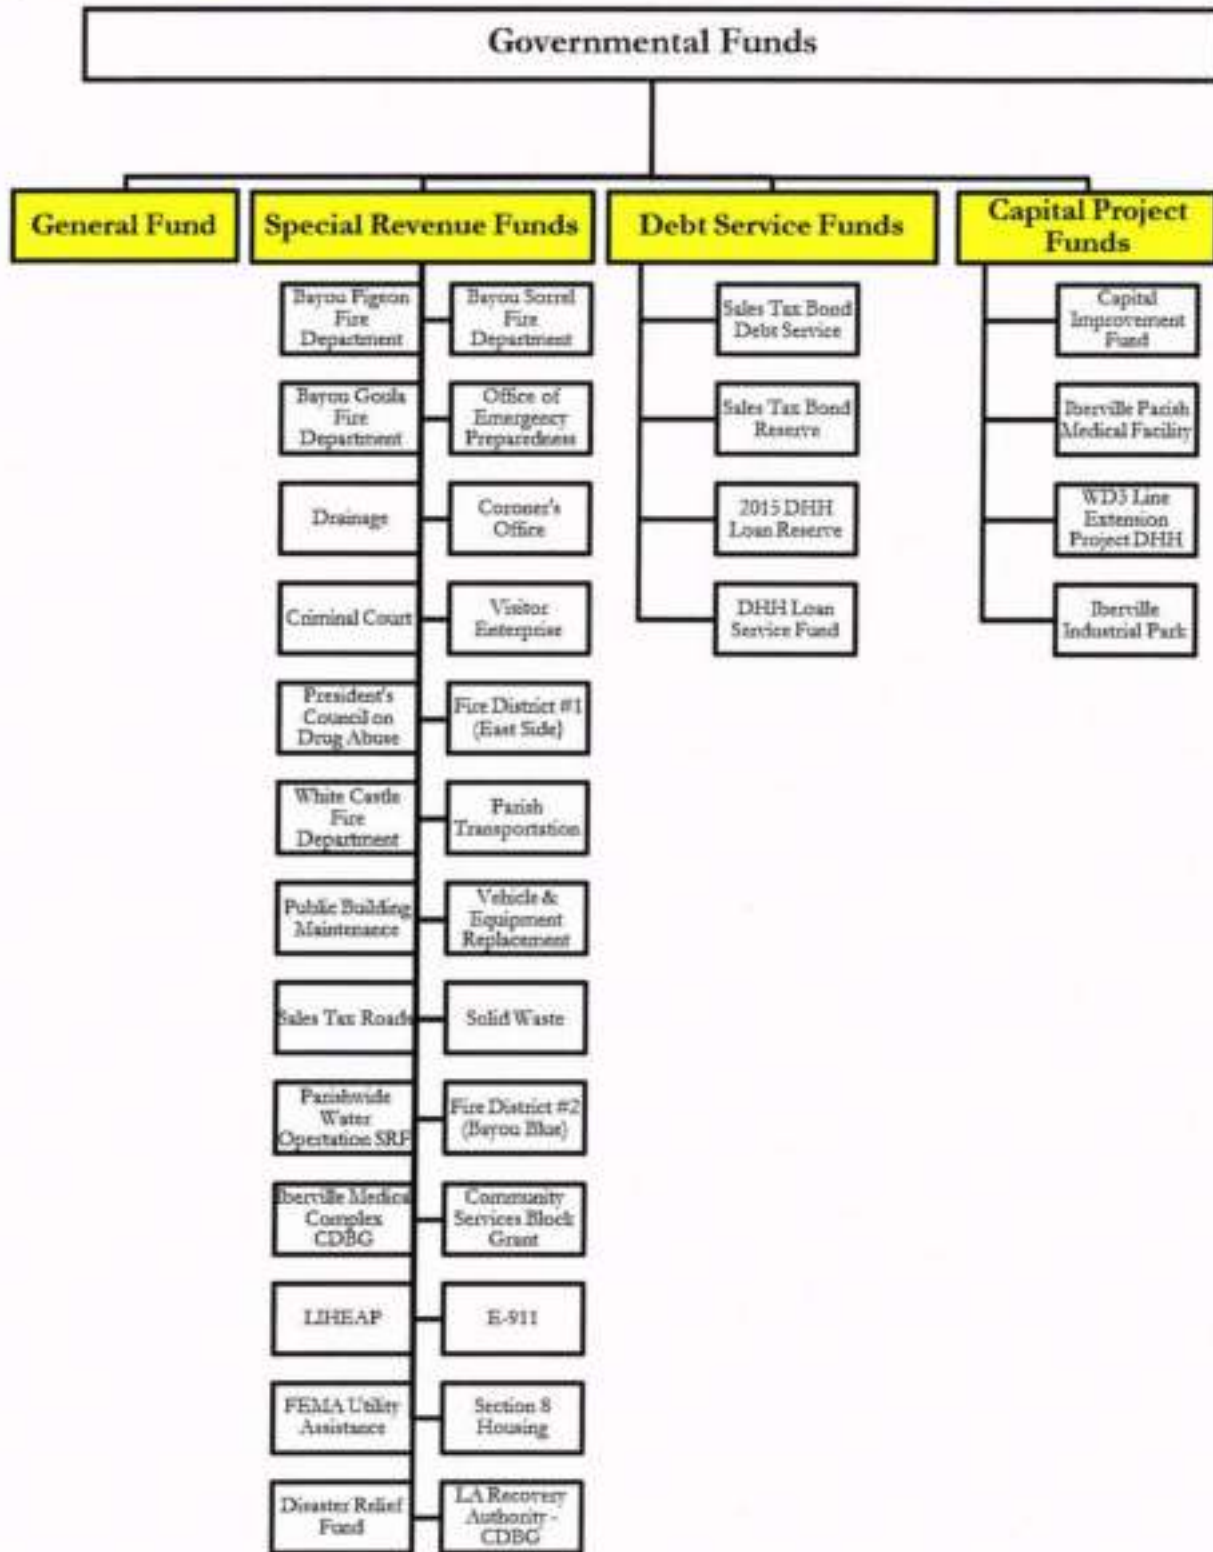

The Parish shall prepare an itemized budget for each fund. The budget must be balanced. A "balanced budget" is defined as the total budgeted expenditures that shall not exceed the total estimated revenues, including beginning fund balances, available within each fund. In any fund in which expenditures/expenses exceed revenues, operating reserves shall be used to meet the shortfalls. The 2017 budget was balanced primarily by tax revenue, fund balance and conservative expenditure forecasts.

LEGAL REQUIREMENTS

Budget Amendments

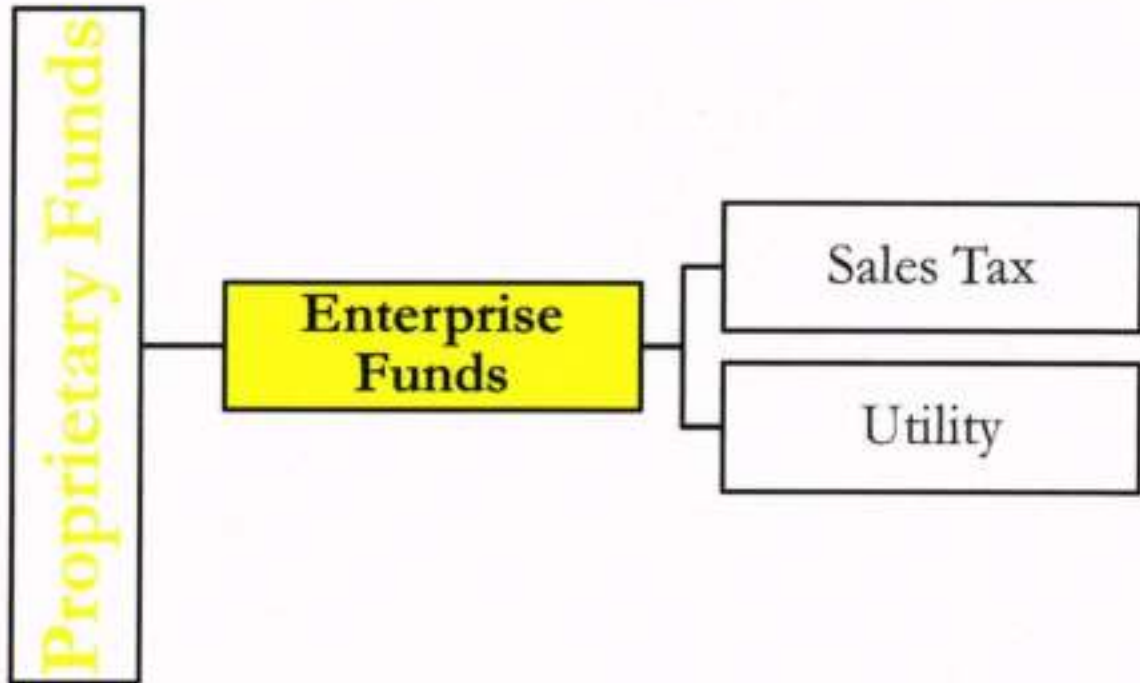

- Legal requirements applicable to budget amendments are set forth in the Home Rule Charter (Section 5-04). The Home Rule Charter states the modifications can be made by the following:
- Supplemental appropriations which come available during the year. The council must issue a budget ordinance to supplement the budget.
- An Emergency appropriation which meets a public emergency affecting life, health property or public peace. The council may approve an emergency ordinance to address these needs.
- Reduction of appropriation can be made by report of the parish president to the council that funds available will be insufficient to meet the amount appropriated.

The appropriated budget is prepared by fund, function, and department. The Parish President may transfer part or all of any unencumbered appropriations within programs (funds), except that no transfer shall be made to or from the salary accounts unless approved by the Council by ordinance. Transfers of appropriations between programs require the approval of the governing council. The legal levels of budgetary control are the "salaries and benefits" and "other program expenditures" program levels.

All Governmental Funds are budgeted for on a modified accrual basis.

Budgeted Full-time Equivalent Summary

In order to more accurately follow past staffing and human resource allocation decisions by program, three-year history of full-time equivalents by department is presented on page 18. A full-time equivalent (FTE) position is a full-time position plus a part-time position converted to the decimal equivalent of a full-time position based on 2,080 hours per year.

Within each department, positions may be budgeted from a variety of funding sources. In general, the General Fund and Special Revenue Funds cover the bulk of the personnel services, with monies from the Enterprise Funds covering the rest.

Parish-wide staffing from FY 2016 to FY 2017 will decrease by 2.00 FTE's. There were no significant changes in staffing levels.

Personnel Policies Overview

Salaries and benefits represent the largest single category of expenditures in the operating budget for Iberville Parish. The parish is committed to providing quality services to its citizens.

Salaries and benefits are recognized for all full-time and part-time positions. Iberville Parish has 10 fire departments, of which the Parish Council governs 6 departments. The 6 departments operate on strictly a volunteer basis. Therefore, those volunteers do not receive salaries nor benefits from the Parish.

The component parts of salary and benefit categories are as follows:

Salaries

The salary account includes regular salaries for full-time and part-time employees, overtime salaries for payment at time and one-half for hours worked in excess of forty (40) hours per week. Regular salary rates are based on 2,080 annual hours for all full-time employees, except for elected officials and exempt employees who are paid a set annual salary.

Benefits

Iberville Parish offers a benefits package to the employees. This package is a combination of benefits offered to all regular full-time employees, optional benefits either paid in full or in part by the parish, or benefits paid entirely by the employee.

Health Care

A comprehensive health benefits plan is available to permanent full-time employees, retirees, and their dependants.

Health Insurance: Iberville Parish Council provides health insurance for all eligible full time employees. The Parish pays \$614.12 of the premium on the plan. Dependent health insurance is available and premiums are the responsibility of the employee.

Retirement

Iberville Parish employees pay 9.5% of their salary towards retirement; while the Parish pays 14.50% of the employee's salary towards retirement.

Other Contributions

Medicare Insurance: All employees hired after 1985 are required to contribute. The amount is matched by Iberville Parish, which is currently 1.45% of the salary expense.

Unemployment Insurance: Iberville Parish is currently under a rated unemployment insurance plan, which is based on past claims. A percentage, currently 2.01%, of the 1st \$7,700 of earnings of every employee is put into a reserve account and is drawn out on an as needed basis to pay unemployment claims.

Iberville Parish, La

GENERAL FUND

Iberville Parish, La

Overview

The **General Fund** is the general operating fund for the parish and provides funding for many departments. This fund is used to account for the following departments:

- The *Department of Administration* receives General Fund money to run the Parish President's office on a day to day basis. The main goal of this office is to assist the residents of Iberville Parish.
- The *Finance Department* is funded with General Fund money to conduct all financial activities of the parish. The primary responsibility of this department is financial management for all deposits and disbursements and the development and administration of the annual budget. Some of the other duties include the Comprehensive Annual Financial Report (CAFR), accounts payable, accounts receivables, purchasing, and fixed assets.
- The *Human Resource Department* is primarily responsible for all personnel matters related to current, future, and past employees.
- The *Department of General Services* wears a variety of hats in this parish. Some of the sub-units of this department are funded with General Fund money and others are funded partially through transfers to Special Revenue Funds. Those sub-units that fall under this department and funded with General Fund money are as follows:
 - ❖ The *Animal Control Office* actively seeks to educate all residents about the "leash law" and the importance of vaccinations. The staff also responds to calls related to snakes, livestock, beaver, coyote and fox control. The animal shelter provides many animals for adoption. Their goal is to control the over-population of nuisance and unwanted animals for the citizens of Iberville Parish and to insure the quality of life for all. The officers also investigate nuisance animal calls, dog bites and cruelty to animal cases.
 - ❖ The *Building Inspector's Office* issues licenses and permits for all building structures within the Parish's jurisdiction. The Building Inspector performs routine construction inspections of residential and commercial projects to insure compliance with specifications, ordinances, and regulations of the parish, state and federal government.
 - ❖ The *Safety Department* assesses risk for the Parish through routine monitoring of departmental operations, researching accidents to find out the cause, resolving complaints of local residents with regard to property and automobiles, and imposing rules and regulations to help reduce risk and injury to the employees and residents of the Parish.
 - ❖ The *Health Unit* provides medical assistance to all residents of Iberville Parish. The staff conducts numerous seminars on various issues related to medical cases, nutrition and disease prevention.

- ❖ The *Multi-Purpose Center* is used to develop and practice agrarian arts. This arena services as a place for livestock shows, garden shows, farmers markets, rodeos, and nature expositions.
- ❖ The *Information Technology (IT) Department* is dedicated to improving Parish operations by providing effective and efficient automation, information, communication, and support services.
- ❖ The general fund is responsible for the partial funding of the *Parish Jail and Inmates*. The jail is a parish owned building; however, the maintenance of the building is accounted for in the Public Building Maintenance (special revenue) Fund. The general fund is used to account for the day to day operations of the parish jail and its inmates.
- ❖ The *Council on Aging* department is responsible for the Activity Coordination and Exercise classes at the Iberville Council on Aging Center in Plaquemine.

The Health and Welfare

- The General Fund provides resources for all Legislative Branches of government. The Parish Council is a channel between the parish government and the citizens. The council holds legislative authority within the parish. The council members are elected by the people of each district. Those elections are the sole responsibility of the *Registrar of Voters Office*. This office maintains all voter information and official election documents.
- Some funding is provided to the Judicial Branches of government; however, these departments are not governed by the Parish Council. The parish has agreed to supplement the operating expenditures of those departments. Such departments include *Court Reporters, Public Defender, Justice of Peace, Constables, Jury Commissions, and Clerk of Court*.
- The Office of Community Services (OCS) manages the local funding of federal programs made available to qualifying low income persons in various areas of the parish. Many residents seek assistance for food, utilities, education, and housing assistance. All federal revenues are fully disbursed. Federal programs are amended when additional funding is received.
- Operating grants are provided to several organizations because they provide services to the citizens of this parish. The following organizations are not governed by the Parish Council and include: *District Attorney Expense Fund, Plaquemine City Court and City Marshall, Battered Woman's Program, Court Appointed Special Advocates, Economic Development, Planning and Zoning, Parish Farm Agent, Council on Aging, Veteran's Affairs, and Capital Area Legal Services*.

The General Fund provides salary and benefit funding to the following departments: The *Sales Tax Department, the Utility Department, and Water District #3*. This funding is reimbursed monthly to the

parish. The Parish Council is responsible for the leadership and administration of these departments. However, since they are Enterprise Funds, these departments are self-sustaining and the Parish has no moral obligation to fund operations at this time.

The General Fund makes transfers to some Special Revenues Funds for the departments that are not able to solely fund themselves. These transfers help continue the daily operations of the departments, so that the residents can continue to reap the benefits of such programs.

The **General Insurance Fund** accounts for all losses to public property, public liability, and worker's compensation claims. Funding is received from all departments with the parish. This fund is budgeted for within the General Fund.

Multipurpose Center

The C.M. "Mike" Zito Multipurpose Center opened on April 29, 2005. It is a multi-use facility designed to accommodate a wide variety of events including fairs and festivals, church, organization, company activities, family reunions, many horsing and rodeo events, performances and other activities.

The Center includes a 275 feet by 125 feet arena with stadium seating, full commercial kitchen facilities, bathrooms, state-of-the-art sound system, scoreboard and electric display board. It also includes a 32 feet by 50 feet pavilion.

The center was constructed by Iberville Parish Government, and was named in honor of the late C.M. "Mike" Zito, who served on the Iberville Parish Council for 22 years. Zito, who served part of his time on the Council as its President, is considered the father of the Iberville Parish Parks and Recreation District. He worked diligently for many years to improve recreational facilities for parish residents. He was also instrumental in obtaining partial state funding for the Multipurpose Center.

Mosquito Abatement

Four mosquito abatement trucks spray, throughout Iberville, six days a week when the weather permits. When the temperature at night gets 55 degrees and over, for some consecutive nights in a row, that is when the adulticiding spraying program proceeds. The parish also has an all-terrain vehicle with a mounted sprayer to reach more remote areas. There are also some larvicidal techniques used throughout the parish, which consist of using larvicidal briquettes, pellets, and oil.

- To enhance the health and quality of life of Iberville Parish citizens and visitors through the reduction of mosquito populations

- Eliminate mosquito breeding areas by way of educational services, various control measures and abatement procedure methods when necessary
- Perform treatments to eliminate or reduce mosquito populations

Severance Tax on Oil and Gas

Iberville Parish has the potential to collect \$1,000,000 on all oil, gas and timber severed from Iberville Parish. Because of a formula that caps this revenue, we only expect to collect \$1,000,000 for 2015 and \$1,000,000 for 2017. Those taxes are collected by the State of Louisiana and remitted to Iberville Parish on a quarterly basis.

SPECIAL REVENUE FUNDS

Iberville Parish, La

OVERVIEW

Special Revenue Funds account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted for a specified purpose. Iberville Parish has a total of 27 special revenue funds for the 2017 budget year. The functions of these funds are general government, public safety, public works, health and welfare, and culture and recreation. The Special Revenue Funds are as follows:

Of the six (6) departments the Parish manages, four (4) departments strictly operate on a volunteer basis and the other two (2) departments have some personnel that are paid by the municipality in which they are located. Each fire department must go through continuous training, planning, and public education in order to protect life, reduce injury, and conserve property. BUDGET HIGHLIGHTS

GENERAL GOVERNMENT

Public Building Maintenance

The Public Building Maintenance Fund is responsible for the maintenance of all parish owned buildings. The Public Building Maintenance Fund is supported through property tax collections that have remained stagnant over the last two years because of a failure to roll property taxes forward. This fund collects 1.1 million dollars per year in property taxes with 1.9 million dollars per year in expenses. In 2006, the citizens of Iberville Parish approved a 1% sales tax of which a portion is now used to fund this enormous shortfall.

PUBLIC SAFETY

Fire Departments

The State of Louisiana requires all Fire Departments to obtain a fire rating from the Property Insurance Association of Louisiana (PIAL). Fire ratings are normally performed every 5 years. If a department expands, acquires new equipment, or if the rating falls two or more grades during the last testing, then the department may be tested more often. We strive to budget and work with each fire department to improve weaknesses. Our goal is to continue lowering fire ratings so that all of Iberville Parish can reap the benefits.

During 2015 some departments will be undergoing evaluations, hoping to improve the current fire rating for that department. These departments may undergo additional training or purchase new equipment in order to help improve the rating. We continue to look for new ways to improve the fire ratings for all areas of Iberville. The Iberville Parish Council encourages all fire departments to undergo ratings periodically.

Office of Emergency Preparedness

The Office of Emergency Preparedness (OEP) receives grants for communication equipment, personal protective equipment, and hazardous materials training. The Office of Emergency Preparedness has received grants from the Office of Domestic Preparedness State Homeland Security Program and UASI.

PUBLIC WORKS

Department of Public Works

For this coming budget year, the Iberville Parish Department of Public Works will continue to maintain and improve the Parish roads, bridges, and drainage facilities. We will not issue any additional debt for public work improvements during 2015.

Public Building Maintenance

This fund maintains all public buildings owned by the parish through revenues received by ad valorem and sales taxes. Some of the buildings maintained through this fund include the parish courthouse, the parish jail, the health unit, the multipurpose center, the maintenance barn and the animal control shelter.

President's Council on Drug Abuse

When Parish President J. Mitchell Ourso Jr. asked residents to rate their concerns for the parish, drug abuse was consistently at the top of the list.

Through Mr. Ourso's efforts, funding for this parish's first substance abuse treatment center was acquired. In the seven years of its existence, the Iberville Parish Substance Abuse Center (IPSAC) has grown in size and the services provided. Since its inception, IPSAC has provided assessment, treatment and support services to more than 2,000 Iberville residents, and more than 5,000 Iberville Parish students have participated in the Center's prevention program.

Funding & Fees

The Iberville Parish Substance Abuse Center is funded through grants from the Iberville Parish Council and the Capital Area Human Services District, the 18th Judicial District Court, Plaquemine City Court and client fees. Less than 30% of the total funding of IPSAC comes from the taxes of Iberville residents. It has been estimated that the successful substance abuse treatment of six people (thus keeping them out of the criminal justice system) will save Iberville taxpayers more money than the parish provides for the operation of IPSAC.

➤ Iberville Parish currently has three debt service funds:

1. *Sales Tax Bond Debt Service Fund.* This fund is used to service all debt, principal and interest, associated with the 2007 issuance of \$12,000,000 in Revenue Bonds, The 2009 issuance \$8,970,000 and the 2016 issuance of \$10,140,000 in Revenue Bonds.
2. *Sales Tax Bond Reserve Fund.* This fund is no longer required and was closed out during 2016 because of the fully insurance refunding of the 2007 and 2009 bonds.
3. *2015 DHH Loan Reserve Fund.* This reserve was not required to be fully funded until the end of the three year drawdown period. We decided to fully fund the reserve in year one. The reserve total is \$235,930.
4. *DHH Loan Debt Service Fund.* This fund is used to hold equivalent of one year's debt service, principal and interest. Iberville began making sinking fund payments in October of 2015. Those payments are designed by bond covenants to make sure that the debt is deposited and available in timely manner.

Programs for Elderly – Construction in Progress

\$1,200,000 is budgeted in 2017 for the construction of Senior Center in North Iberville.

WD3 Line Extension Project DHH

Construction in Progress

Waterline enhancement for WD#3 started in 2015 and will continue into 2017.
